FOUNDATION SERIES IFAK POUCH SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Blackhawk Foundation Series IFAK (Individual First Aid Kit) Pouch in Black. This pouch is designed to securely hold first aid essentials while providing easy access. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose: to store and provide access to first aid supplies.
- Regularly inspect the pouch for any signs of damage or wear. If damaged, discontinue use immediately.
- Keep the pouch out of reach of children unless under adult supervision.
- Follow all instructions for use and maintenance to ensure the pouch remains in good condition.

Specific Safety Precautions for Use

- When accessing supplies, ensure that the pouch is securely fastened to prevent accidental opening.
- Avoid overloading the pouch with supplies beyond its intended capacity to maintain its integrity.
- Be cautious when handling any first aid supplies, especially sharp or potentially hazardous items.
- If using the pouch in a highstress environment, ensure you are familiar with the layout and contents to facilitate quick access.

Instructions for Installation and Usage

1. Installation:

- Attach the pouch to your gear using the MOLLE tuck straps. Ensure that the straps are woven securely to prevent the pouch from detaching.
- Check that the pouch is positioned for easy access, ensuring it does not obstruct movement.

2. Usage:

- To access the contents, unbuckle the QASM surface buckle.
- Gently open the pouch. It can be laid flat or hung for easier access.
- Use the internal elastic compartments to organize supplies effectively. Ensure all items are secured and easily retrievable.

3. Maintenance:

- Clean the pouch regularly with a damp cloth. Avoid using harsh chemicals that may damage the material.
- Store the pouch in a cool, dry place when not in use to prevent degradation of materials.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations regarding textile waste.
- Ensure that any first aid supplies that are expired or no longer usable are disposed of safely and responsibly.
