Safety Instruction Guide for TACTICAL RIFLE MAGAZINE CANS MTM CASEGARD TACTICAL MAG CAN AK47 (30 RD) 7.62X39 CAL 9MAG POLYMER TAN

Introduction

Thank you for choosing the TACTICAL RIFLE MAGAZINE CANS MTM CASEGARD TACTICAL MAG CAN. This product is designed to store and transport your AK47 and AR15 magazines safely. This guide provides essential safety instructions and guidelines to ensure your safe use of this product.

General Safety Guidelines

- Ensure that the magazine can is used only for its intended purpose of storing and transporting magazines.
- Always check the magazine can for any signs of damage before use. Do not use if damaged.
- Keep the magazine can out of reach of children and unauthorized users.
- Regularly inspect the foam padding for wear and tear. Replace if necessary.
- Follow all local laws and regulations regarding the storage and transport of firearms and ammunition.

Specific Safety Precautions for Use

• Hazard Identification:

- Risk of injury if the magazine can is not used properly.
- Potential for damage to magazines if stored improperly.

• Avoiding Hazards:

- Always ensure that magazines are unloaded before placing them in the magazine can.
- Do not exceed the recommended capacity of the magazine can (9 magazines for AK47 and 15 magazines for AR15).
- Ensure the latches are securely closed before transporting the magazine can.

• AgeSpecific Warnings:

- This product is not intended for use by children. Ensure adult supervision if used around minors.

Instructions for Installation and Usage

1. Unpacking the Magazine Can:

- Remove the magazine can from its packaging.
- Inspect for any visible damage or defects.

2. Loading the Magazine Can:

- Open the magazine can by releasing the latches.
- Place the foam padding inside the can if not already installed.
- Insert the magazines into the precut foam slots, ensuring they are securely held in place.
- For AK47 magazines, load up to 9 magazines with a maximum capacity of 30 rounds each.

- For AR15 magazines, load up to 15 magazines with a maximum capacity of 30 rounds each.

3. Securing the Magazine Can:

- Close the lid of the magazine can.
- Ensure that the latches are securely fastened to prevent accidental opening.

4. Transporting the Magazine Can:

- Use the handles on the sides for easy carrying.
- Ensure the magazine can is stored upright during transport to avoid damage.

5. Storage Recommendations:

- Store the magazine can in a cool, dry place away from direct sunlight.
- Avoid stacking heavy objects on top of the magazine can to prevent deformation.

Disposal Instructions

- Dispose of the magazine can in accordance with local regulations.
- If the magazine can is damaged or no longer usable, consider recycling the polymer material where facilities exist.
- Do not dispose of the magazine can in regular household waste if it contains any magazines or ammunition.

Contact Information for Further Support

For safety inquiries or further assistance regarding this product, please contact the manufacturer or your local distributor. Ensure that you have the model number and any relevant details available for a prompt response.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience with your TACTICAL RIFLE MAGAZINE CANS MTM CASEGARD TACTICAL MAG CAN.
