G36 Flash Hider Compensator Safety Instruction Guide

Introduction

Thank you for choosing the G36 Flash Hider Compensator from JMAC Customs. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper handling, installation, and maintenance of the G36 Flash Hider Compensator. Your safety is our priority.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Do not rely solely on safety mechanisms; they are not foolproof.
- Ensure that the area is clear of people and obstructions before firing.
- Use only the appropriate ammunition for your firearm.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Store firearms and accessories in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform for the latest safety information.

Specific Safety Precautions for Use

- Ensure that the G36 Flash Hider Compensator is compatible with your firearm before installation.
- Always wear appropriate eye and ear protection when handling or firing your firearm.
- Do not modify the G36 Flash Hider Compensator in any way; alterations may compromise safety.
- Avoid using the compensator in environments where excessive heat or flame may be present.
- Be aware of your surroundings and ensure a clear shooting lane when using your firearm.
- Do not use the compensator if it shows any signs of damage or wear.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Thread Compatibility:** Confirm that your firearm has a 14x1 LH thread pitch, as this is required for the G36 Flash Hider Compensator.
3. **Cleaning Threads:** Clean the threads of both the compensator and your firearm to remove any debris or oil.
4. **Attach the Compensator:**
 - Align the compensator with the threaded muzzle of your firearm.
 - Gently screw the compensator onto the threads, ensuring it is seated properly.
 - Use a wrench to tighten securely, but avoid overtightening, which could damage the threads.
5. **Detent Notch:** Ensure that the detent notch is aligned correctly to prevent loosening during use.

Usage

- Once installed, the G36 Flash Hider Compensator can be used as intended with your firearm.
- Regularly check the tightness of the compensator after each use to ensure it remains secure.
- If you experience any unusual performance or notice any damage, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- At the end of its life cycle, dispose of the G36 Flash Hider Compensator in accordance with local regulations regarding metal waste.
- Do not dispose of the compensator in regular household waste.
- Contact your local recycling center for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the G36 Flash Hider Compensator or safety concerns, please reach out to the appropriate support channels. It is important to have an EUbased contact for safety inquiries, ensuring compliance with the EU General Product Safety Regulation.

Thank you for prioritizing safety and for choosing JMAC Customs. Enjoy your enhanced shooting experience with the G36 Flash Hider Compensator.
