# Hand Retention Device Safety Instructions

## Introduction

Thank you for choosing the Hand Retention Device Handstop by JMAC Customs. This product is designed to enhance your control and safety while using your firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle your firearm with care and assume it is loaded.
- Use this product only as intended and in accordance with the manufacturer's instructions.
- Ensure that the Hand Retention Device is securely mounted before use.
- Regularly inspect the device for any signs of wear or damage.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to the device becoming loose during use.
  - Using incorrect torque settings can damage the handguard or accessory.
- **Avoiding Hazards:**
  - Always follow the specified torque settings for your handguard material.
  - Ensure that the mounting hardware is properly tightened before use.
  - Do not exceed the recommended torque specifications:
    - 4.0 N·m (35 lb·in) for metal accessories on metal handguards.
    - 1.7 N·m (15 lb·in) for polymer or metal accessories on polymer handguards.
- **Age or Audience Specific Warnings:**
  - This product is not intended for use by children. Ensure adult supervision if used in environments where children are present.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and safely stored before installation.
- Identify the MLoc slots on your handguard where the Hand Retention Device will be mounted.
- Align the Hand Retention Device with the MLoc slots.
- Insert the provided Tslot nuts into the slots.
- Using a torque wrench, tighten the mounting hardware to the specified torque settings based on your handguard material:
  - 4.0 N·m (35 lb·in) for metal handguards.
  - 1.7 N·m (15 lb·in) for polymer handguards.
- Doublecheck that the device is securely attached and does not move.

### 2. Usage:

- Grip the Hand Retention Device firmly while using your firearm.
- Maintain control of your firearm at all times.
- Regularly check the device during use to ensure it remains secure.

## **Disposal Instructions**

- Dispose of the Hand Retention Device in accordance with local regulations.
- Do not dispose of the device in regular household waste if it contains any hazardous materials.
- Consider recycling the aluminum material if possible.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Hand Retention Device, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for prioritizing safety with the Hand Retention Device Handstop by JMAC Customs. Your attention to these guidelines will help ensure a safe and enjoyable experience.
