# M4AK MILLED RECEIVER JMAC CUSTOMS Safety Instruction Guide

## Introduction

Thank you for choosing the M4AK Milled Receiver by JMAC Customs. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe operation of your product. Please read this manual carefully before use.

## General Safety Guidelines

To ensure the safe use of the M4AK Milled Receiver, please follow these guidelines:

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use the product only as intended and according to the instructions provided.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the M4AK Milled Receiver, please observe the following precautions:

- Ensure that the adapter is compatible with your specific Type 3 Milled Receiver AK47 clone.
- Do not exceed the weight limit of attached braces or stocks.
- Avoid using the product if any components are damaged or missing.
- Be cautious of pinch points during installation and removal.
- Do not modify the product in any way that may compromise its integrity.
- Always wear appropriate eye protection when handling firearms.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the M4AK Milled Receiver:

### 1. Preparation

- Gather all necessary tools and mounting hardware included with the product.
- Ensure the firearm is unloaded and in a safe environment.

### 2. Installation Steps

- Remove the lower tang from the receiver. Note that this is not to be cut off but rather removed for installation.
- Align the JMAC hardware with the mounting points on the receiver.
- Secure the adapter using the provided large bolts, ensuring a tight fit.
- Reinstall the lower tang if you wish to revert to the original configuration.

### 3. Usage

- Attach your preferred M16/M4 style brace or stock to the adapter.
- Check that all components are securely fastened before use.
- Adjust the cheek weld for optimal comfort and aim.

#### **4. PostInstallation Check**

- Inspect the installation to ensure everything is secure.
- Test the functionality of the brace or stock before using the firearm.

### **Disposal Instructions**

When it is time to dispose of the M4AK Milled Receiver or its components, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Ensure that any potentially hazardous materials are handled properly.
- Consider recycling metal components where possible.

### **Contact Information for Further Support**

For any questions or concerns regarding the M4AK Milled Receiver, please refer to the contact information provided by the manufacturer or your point of purchase. It is essential to have a reliable contact for safety inquiries.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your M4AK Milled Receiver by JMAC Customs responsibly!
