Safety Instruction Guide for 6INCH SKELETONIZED TUBE JMAC CUSTOMS

Introduction

Thank you for choosing the 6INCH SKELETONIZED TUBE from JMAC CUSTOMS. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper installation, usage, and disposal of the product.

General Safety Guidelines

- Always handle your firearm and accessories with care and responsibility.
- Ensure that the product is compatible with your firearm before installation.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Using incompatible components could compromise safety and performance.
- Failure to follow safety guidelines may result in accidents.

• Instructions for Avoiding Hazards:

- Always ensure that the firearm is unloaded before installation.
- Use only the recommended tools for installation.
- Do not exceed the manufacturer's specifications for usage.
- Avoid using the product under extreme conditions that may affect its integrity.

• AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Ensure that younger users are supervised by a responsible adult when handling firearms and accessories.

Instructions for Installation and Usage

• Installation Steps:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing buffer tube if applicable.
3. Align the JMAC 6INCH SKELETONIZED TUBE with the rear of the firearm.
4. Securely attach the tube using the provided hardware, ensuring all connections are tight.
5. Verify that the JMAC 1913 Folding Mechanism is functioning properly by testing the folding action.

• Usage Guidelines:

- Ensure that the stock is securely locked in position before firing.

- Regularly check the integrity of the tube and mechanism during use.
- If any issues arise, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal recycling.
- Ensure that the product is rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the 6INCH SKELETONIZED TUBE, please refer to the manufacturer's website or contact your local dealer for assistance. Always ensure that you have the latest information regarding safety and compliance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your JMAC CUSTOMS 6INCH SKELETONIZED TUBE. Thank you for your attention to safety and compliance.
