# Safety Instruction Guide for 6INCH SKELETONIZED TUBE JMAC CUSTOMS

## Introduction

Thank you for choosing the 6INCH SKELETONIZED TUBE from JMAC CUSTOMS. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this guide carefully to understand the safety precautions, installation instructions, and contact information for further support.

## General Safety Guidelines

- Ensure that your firearm complies with all local laws and regulations before installation.
- Always handle firearms safely and responsibly to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Use the product only as intended, as specified in this guide.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the skeletonized tube.
- Verify that the attachment rail is secure and compatible with the JMAC 1913 folding mechanism.
- Do not exceed the weight limit specified by the manufacturer for the stock or brace used with this product.
- Be cautious when folding the stock to avoid pinching fingers or causing injury.
- Use only compatible stocks or braces designed for M4 style tubes.
- Avoid using this product in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure that your firearm is unloaded and placed on a stable surface.
2. **Remove Old Buffer Tube:**
  - Use appropriate tools to remove the existing buffer tube from your firearm.
3. **Attach the Skeletonized Tube:**
  - Align the JMAC skeletonized tube with the receiver of your firearm.
  - Securely fasten the tube using the provided hardware, ensuring it is tight and stable.
4. **Install the Stock/Brace:**
  - Attach your M4 style stock or brace to the skeletonized tube, ensuring it is properly secured.
5. **Check Functionality:**
  - Test the folding mechanism to ensure it operates smoothly and securely.

### Usage Instructions

- To fold the stock, gently pull the release mechanism and fold the stock against the firearm.
- To extend the stock, pull it away from the firearm until it locks into place.
- Regularly check the folding mechanism for proper function and lubrication.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.

- Ensure that any packaging materials are recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the 6INCH SKELETONIZED TUBE, please reach out to the manufacturer or authorized dealer for assistance. Always refer to the product documentation for specific inquiries.

By following these guidelines, you can ensure the safe and effective use of your 6INCH SKELETONIZED TUBE from JMAC CUSTOMS. Thank you for your attention to safety!
