[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Pins](#)

Battle Arms Development Enhanced Pin Set (BAD-EPS) for the AR15 / M16 / M4 style rifles. The BAD-EPS features the following improvements and features: Precision Swiss CNC machined Available in OD Green and Flat Dark Earth AR15 / M16 / M4 Compatible - Fits all AR15/M16/M4 lower receivers with mil-spec .250in diameter front pivot and rear take-down pinholes. Patent Pending Pivot Pin & Takedown Pin Head Designs - Greatly improved gripping surface and pull strength without the use of oversize heads. Low Profile Pin Heads - Low drag and never in the way. Lower profile than mil-spec pinheads. Ambidextrous Safety Compatible - The Enhanced Takedown Pin (BAD-ETP) head design does not obstruct the use of the right side ambidextrous safety selector lever. Extended Pin Tips (+0.030in over mil-spec) - Added tip length noticeably aids in starting/pushing the pins out from the left side of the receiver, without undue protrusion. Bullet Tip Guide - Cone-shaped recess at both pin tips prevents accidental bullet or tool slip and reduced the chance of scratching/damaging of the receiver. BAD-EPS comes with: (1) Enhanced Takedown Pin (1) Enhanced Pivot Pin (2) KNS hardened stainless steel detents (2) 17-7 nickel-plated stainless steel pin springs. Patented EZ Guide Channel Proudly designed and manufactured in the U.S.A. Due to various factors during the anodization process, the color may vary from batch to batch.

# Safety Instruction Guide for AR15 Enhanced Pivot & Takedown Pins

## Introduction

Thank you for choosing the Battle Arms Development Enhanced Pin Set (BADEPS) for your AR15 / M16 / M4 style rifle. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that the BADEPS is used in accordance with the instructions provided in this guide to minimize risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product through official channels.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact points.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the BADEPS is compatible with your specific AR15 / M16 / M4 lower receiver.
- **Installation:** Follow the installation instructions precisely to avoid damaging the pins or the receiver.
- **Inspection:** Regularly inspect the pins for signs of wear or damage. Replace any damaged components immediately.
- **Handling:** Handle the pins carefully during installation and removal to avoid injury.
- **Force:** Avoid using excessive force when installing or removing the pins to prevent damage to the receiver or the pins themselves.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components, including the Enhanced Takedown Pin, Enhanced Pivot Pin, detents, and pin springs.

### 2. Installation:

- **Remove Existing Pins:**
  - Use a suitable tool to carefully push out the existing pivot and takedown pins from the lower receiver.
- **Install Enhanced Pins:**
  - Insert the Enhanced Pivot Pin into the front pivot pinhole, ensuring it is seated properly.
  - Insert the Enhanced Takedown Pin into the rear takedown pinhole.
- **Secure Pins:**
  - Place the KNS hardened stainless steel detents into their respective holes to secure the pins.
  - Install the 177 nickelplated stainless steel pin springs to ensure proper tension.

### 3. Usage:

- To remove the pins, push the extended pin tips from the left side of the receiver.
- Utilize the bullet tip guide feature to prevent slipping and protect the receiver from scratches.

#### **4. PostInstallation Check:**

- Ensure that both pins are securely in place and function correctly before using the firearm.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consult local waste management guidelines for proper disposal of metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of the AR15 Enhanced Pivot & Takedown Pins, please refer to the designated EUbased contact points for assistance.

By following these guidelines, you can ensure the safe and effective use of your Battle Arms Development Enhanced Pin Set. Thank you for prioritizing safety and compliance with EU regulations.
