

PERFORMANCE SYNTHETIC GUN OIL - BREAK FREE 4 OZ. PERFORMANCE SYNTHETIC GUN OIL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Outstanding, All-In-One, Cleaner & Lube

Designed for use under long and sustained fire, Break Free® Performance Synthetic Gun Oil is ideal for law enforcement, target shooters, and anyone using rapid-fire automatic handguns and rifles. Originally developed for fully automatic cannons used by the U.S. military, this proprietary formula ensures consistent cyclic rates are maintained and gun actions operate smoothly, even under adverse conditions and extended firing periods. Break Free Performance Synthetic Gun Oil doesn't dry out, harden, solidify or attract metal fines and other contaminants. Contains specially formulated polymerized synthetic oils for improved boundary film strength, plus multiple ingredients to reduce friction, stop build-up of foreign particles and inhibit rust and corrosion Safe for all gunmetal and gunmetal finishes from blued steel to titanium, as well as polymer composite firearms Prevents galling on stainless steel Non-solvent formula minimizes drain-off when firearm is holstered

PERFORMANCE SYNTHETIC GUN OIL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing Break Free® Performance Synthetic Gun Oil. This product is designed to provide superior lubrication and protection for firearms under long and sustained fire conditions. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is stored out of reach of children and pets.
- Use the product only as intended and according to the instructions provided.
- Avoid contact with skin and eyes. If contact occurs, wash thoroughly with soap and water.
- In case of accidental ingestion, seek medical attention immediately.
- Always use in a wellventilated area to minimize inhalation of vapors.
- Dispose of any unused product or waste material in accordance with local regulations.

Specific Safety Precautions for Use

- Use protective gloves when handling the product to avoid skin irritation.
- Avoid using the product near open flames or high heat sources, as it is flammable.
- Do not mix with other chemicals or solvents unless specified by the manufacturer.
- Ensure firearms are unloaded before applying the oil to prevent accidental discharge.
- Keep the product away from food, drink, and animal feed.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Clean the firearm to remove any dirt or debris before applying the oil.

2. Application:

- Shake the bottle gently before use.
- Apply a small amount of Break Free® Performance Synthetic Gun Oil to the moving parts of the firearm using the applicator tip.
- Wipe off any excess oil with a clean cloth to prevent accumulation.

3. PostApplication:

- Allow the oil to penetrate and settle for a few minutes before using the firearm.
- Store the firearm in a safe and secure location after application.

Disposal Instructions

- Dispose of the product and its container in accordance with local hazardous waste regulations.
- Do not pour the product down drains, sinks, or toilets.
- Check with local authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For questions or concerns regarding the safety and use of Break Free® Performance Synthetic Gun Oil, please refer to the contact information provided on the product packaging or visit the official Break Free website.

Conclusion

Following these safety instructions will help ensure the safe and effective use of Break Free® Performance Synthetic Gun Oil. Always prioritize safety and consult the guidelines regularly to stay informed. Thank you for your attention, and enjoy using your firearm responsibly.
