Safety Instruction Guide for REMINGTON 870/1100/1187 Matte Shotgun Magazine Extension

Introduction

Thank you for choosing the REMINGTON 870/1100/1187 Matte Shotgun Magazine Extension manufactured by Choate. This guide contains important safety information and instructions for the proper use and maintenance of your magazine extension. Please read this guide carefully before using the product to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the magazine extension is compatible with your firearm model (Remington 870, 1100, or 1187).
- Always treat your firearm as if it is loaded, even if it is not.
- Store your magazine extension and firearm in a secure location, out of reach of children and unauthorized users.
- Use the magazine extension only with 12 gauge ammunition.
- Regularly inspect the magazine extension for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of 3 rounds as specified for this magazine extension.
- Ensure that the magazine extension is properly installed before use. An improperly installed extension can lead to malfunction or injury.
- Avoid using the magazine extension with any ammunition that is not specifically designed for 12 gauge shotguns.
- If you experience any malfunctions or irregularities while using the magazine extension, cease use immediately and consult a qualified gunsmith.
- Modifications to the 1187 model may be required; ensure these modifications are done by a qualified professional.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Magazine:** If applicable, remove the existing magazine from the firearm.
3. **Install Extension:**
 - Slide the magazine extension onto the magazine tube.
 - Ensure that the extension is securely attached and aligned correctly.
4. **Install Spring and Follower:**
 - Insert the extended spring and follower into the magazine extension.
 - Ensure that the follower moves freely within the extension.
5. **Attach Sling Swivel Clamp:**
 - If using the swivel clamp, attach it securely to the magazine extension as per the manufacturer's instructions.
6. **Final Check:** Inspect the installation to ensure everything is secure and functioning correctly.

Usage Instructions

- Load the magazine extension with no more than 3 rounds of 12 gauge ammunition.
- Ensure that the firearm is in a safe and controlled environment when loading.
- After loading, check the functionality of the magazine extension by cycling the action of the firearm without firing.
- Always keep the firearm pointed in a safe direction when loading and unloading.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations.
- If the magazine extension is damaged or no longer usable, do not attempt to repair it. Instead, dispose of it responsibly.
- Ensure that all components, including springs and clamps, are disposed of properly to prevent accidental injury.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can help ensure a safe and enjoyable experience with your REMINGTON 870/1100/1187 Matte Shotgun Magazine Extension. Always prioritize safety and responsible usage.
