Introduction

Thank you for choosing the 1911 GOVERNMENT 1991 MAINSPRING by COLT. This guide aims to provide you with essential safety instructions, ensuring the safe use and handling of this product. Please read this document thoroughly before use.

General Safety Guidelines

- Always handle the mainspring with care to prevent injury.
- Ensure that the mainspring is compatible with your specific Colt 1911 model.
- Keep the mainspring out of reach of children and unauthorized users.
- Regularly inspect the mainspring for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and their components.
- In case of any uncertainties, consult a qualified gunsmith or professional.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the mainspring in any way.
- Ensure that the firearm is unloaded before installing or replacing the mainspring.
- Use appropriate protective gear, such as safety glasses, when handling the mainspring.
- Be aware of your surroundings and ensure you are in a safe location before using the firearm.
- If you experience any malfunction or irregularity during use, cease operation immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools for installation, including a punch tool and a hammer.
- Verify that the firearm is completely unloaded and pointed in a safe direction.

2. Installation Steps

- Remove the grip panels of the firearm using the appropriate screwdriver.
- Carefully remove the old mainspring by following the manufacturer's instructions.
- Install the new mainspring by aligning it correctly in the mainspring housing.
- Ensure the mainspring is seated properly and reassemble the firearm.
- Replace the grip panels securely.

3. Usage Guidelines

- After installation, conduct a function check to ensure the firearm operates correctly.
- Use the firearm only in accordance with the manufacturer's guidelines and safety practices.
- Regularly maintain and clean the firearm to ensure optimal performance of the mainspring.

Disposal Instructions

- Dispose of any damaged or worn mainsprings in accordance with local regulations.
- Do not dispose of the mainspring in regular household waste.
- Contact local waste management authorities for proper disposal methods.
