## Flexible, Non-Skid Bench Mat Lays Flat, Keeps Parts Together

**RANSOM MASTER GUN CLEANING MAT** The Ransom Master Mat and the Ransom Mega Mat Are top quality gun cleaning mats. These mats provide a firm, yet cushioned work surface for working on all kinds of precision parts and assemblies. These mats are an ideal surface for disassembling precision mechanisms such as those found in firearms. All Ransom Mats are highly resistant to gun cleaners and lubes including most all petroleum-based solvents, and brake fluids. Measuring 19×11 3/8 inches, the Ransom Master Mat has ribbed compartments and edges at its borders to contain any small parts or fluids that may be spilled in the course of cleaning and repair. It is relatively unaffected by most gun cleaner, carburetor cleaners, paints, varnishes and brake fluids. **MAT CARE AND CLEANING** Acetone and MEK class solvents will soften the material of the mat if allowed to remain on it for any length of time. Wipe these types of solvents off the surface as soon as possible. To clean your Master or Mega mat, washing with soap and water usually does the trick. Cleaners like rubbing alcohol work well, WD40 has also been noted to clean and or remove smudges, It has been noted spilling your hot coffee on the mat also cleans it. Standard household spray cleaners work well also dish soap is a good choice. **SPECIAL NOTES** The mat can be burned or stained. Note some things are permanent. Permanent marker is permanent on the mat Stickers are permanent. Hot plates or things over 200 degrees can affect or burn or mar the finish on the mat. Mat material is rated around 350 degrees but some excessive temperatures can affect the mat. Heat is never recommended. Oils or cleaners left on the mat for a long time can also have a stain effect if left on and not cleaned off after use. **OTHER USES** The Ransom Master and Mega mats are designed to be used and specifically designed to protect your workbenches and tables while keeping your parts and assemblies organized. Whether you are rebuilding a carburetor, working on a RC car, cleaning a gun, or your wife has an arts and crafts project the Ransom Mats are a valuable tool to have around.

# Safety Instruction Guide for MASTER MAT RANSOM MASTER GUN CLEANING MAT GRAY

## Introduction

Thank you for choosing the MASTER MAT RANSOM MASTER GUN CLEANING MAT GRAY. This guide provides important safety instructions to ensure the safe use of the product. Please read this document carefully before using the mat.

## General Safety Guidelines

- Ensure safe handling and use of the cleaning mat.
- The mat is designed for nonfood use only.
- Be aware of potential hazards and follow safety precautions.
- Check for any product recalls or safety alerts on the EU Safety Gate platform.
- If you encounter any unsafe conditions or accidents, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- The mat has a high coefficient of friction, which may feel sticky. Ensure that your hands and the surface are clean to maintain grip.
- Do not expose the mat to extreme heat or direct sunlight for extended periods, as this may damage the material.
- Avoid using sharp objects that could puncture or tear the mat.
- Keep the mat out of reach of children to prevent accidental misuse.
- Ensure that the mat is placed on a stable surface to prevent slipping during use.

## Instructions for Installation and Usage

### 1. Unrolling the Mat:

- Lay the mat flat on a clean, dry surface.
- Ensure that the molded-in trays and raised rims are positioned correctly to keep parts separated.

### 2. Using the Mat:

- Place your firearm and cleaning supplies on the mat.
- Use the molded-in trays to organize small parts and cleaning tools.
- If the mat becomes dirty, clean it with a mild soap and water solution. Rinse thoroughly and allow it to dry completely before storing.

### 3. Storage:

- Roll the mat up after use for easy storage. The flexible plastic/rubber material will not take a set, allowing for convenient storage.
- Store the mat in a cool, dry place away from direct sunlight.

## Disposal Instructions

- When the mat reaches the end of its useful life, dispose of it according to local regulations for plastic materials.
- Do not incinerate the mat, as this may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the EUbased contact point associated with this product. You can find more information on the manufacturer's website or through authorized retailers.

Thank you for your attention to these safety instructions. Enjoy using your MASTER MAT RANSOM MASTER GUN CLEANING MAT GRAY safely and effectively!
