# SHOOTNC BAD GUY Safety Instruction Guide

## Introduction

Thank you for choosing the SHOOTNC BAD GUY targets. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the targets.

## General Safety Guidelines

- Always ensure that you are in a safe environment when using shooting targets.
- Use targets only in designated shooting areas or ranges.
- Wear appropriate eye and ear protection while shooting.
- Keep the shooting area clear of unauthorized personnel, especially children and pets.
- Do not use targets if they are damaged or defective.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the target is securely attached to a stable surface before shooting.
- Always aim your firearm at the target and be aware of your surroundings.
- Do not shoot at the target from an unsafe distance.
- Avoid using the targets in adverse weather conditions that may affect visibility or safety.
- Dispose of any damaged targets properly to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a clean, dry surface for installation.
- Peel off the backing from the selfadhesive target.
- Firmly press the target onto the chosen surface, ensuring that it is flat and secure.

### 2. Usage:

- Set up the target at a safe distance according to your shooting practice needs.
- Use appropriate firearms and ammunition suited for the target size.
- After shooting, check the target for bullet holes, which will be visible with bright chartreuse rings.
- Always retrieve your targets safely and ensure the shooting area is clear before moving forward.

## Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste management regulations.
- Do not burn the targets, as they may contain materials that could release harmful substances.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your purchase.
