

COPPER ELIMINATOR RIFLE CLEANING RODS - DEWEY .22-.26 CAL. 44" ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

All-Aluminum Components Eliminate "False-Positive" Copper Fouling Indications

Cleaning rods, brushes, jags, and adapters have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Top-quality steel rods have the same tough, nylon outer coating and ball-bearing smooth rotating handle as standard Dewey rods, with an 8-32 female threaded aluminum ferrule. Each rod comes with an aluminum Copper Eliminator jag.

Attributes

- Name: [DEWEY .22-.26 CAL. 44" ROD](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000086
- Mfr. No.: 22CA-44
- Caliber: 22 Caliber (.223-.224),243/6 mm (.243),25 Caliber (.251),25 Caliber (.257),264/6.5 mm (.264)
- Material: Aluminum
- Style: Rifle
- Delivery weight: 0.227kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 1,194mm
- UPC: 608060000376

Safety Instruction Guide for COPPER ELIMINATOR RIFLE CLEANING RODS DEWEY .22.26 CAL. 44" ROD

Introduction

Thank you for choosing the COPPER ELIMINATOR RIFLE CLEANING RODS DEWEY .22.26 CAL. 44" ROD. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective use of your cleaning rod. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle cleaning rods with care to avoid injury.
- Keep the cleaning rod out of reach of children and pets.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Store the cleaning rod in a safe, dry place when not in use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Use only approved cleaning solvents and materials with this cleaning rod.

Specific Safety Precautions for Use

- Do not use the cleaning rod if you are unfamiliar with firearm maintenance.
- Ensure the firearm is unloaded before cleaning.
- Avoid using excessive force when cleaning to prevent damage to the bore.
- Use the cleaning rod only for its intended purpose—cleaning firearms.
- Do not leave the cleaning rod unattended while in use.
- Wear protective eyewear when using cleaning solvents to avoid eye irritation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials including the cleaning rod, jag, brushes, and solvents.

2. Attaching the Jag:

- Take the aluminum Copper Eliminator jag and attach it to the end of the cleaning rod.
- Ensure the jag is securely fastened by twisting it onto the 832 female threads of the rod.

3. Using the Cleaning Rod:

- Insert the jag into the bore of the firearm gently.
- Apply a small amount of cleaning solvent to the patch or brush attached to the jag.
- Push the cleaning rod through the bore from the breech to the muzzle in a smooth motion.
- Repeat as necessary, using fresh patches or brushes as needed.

4. Cleaning Up:

- After cleaning, remove the jag from the cleaning rod.
- Clean the jag and rod with a suitable solvent to remove any residue.
- Store the cleaning rod and components in a safe place.

Disposal Instructions

- Dispose of any used cleaning patches and materials according to local regulations.
- Do not dispose of cleaning solvents in household waste. Follow local regulations for hazardous waste disposal.
- If the cleaning rod is damaged beyond repair, recycle the aluminum and steel components where possible.

Contact Information for Further Support

For questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Enjoy safe and effective cleaning of your firearms with the COPPER ELIMINATOR RIFLE CLEANING RODS DEWEY .22.26 CAL. 44" ROD.
