Safety Instruction Guide for BRASS LOOPS DEWEY 17L FITS .17 CALIBER

Introduction

Thank you for choosing the BRASS LOOPS DEWEY 17L, designed specifically for use with .17 caliber firearms. This product is engineered to fit Dewey Stainless, Rig, and Hoppe's rods, with specific requirements for use with Dewey Coated Rods. It is essential to follow all safety guidelines and instructions to ensure safe and effective use.

General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of their firearm.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the brass loops for wear and tear before each use.
- If you notice any damage or malfunction, discontinue use immediately and contact a qualified professional.

Specific Safety Precautions for Use

- Use only with the specified caliber (.17 caliber) to prevent accidents.
- Always use appropriate adapters when using the loops with Dewey Coated Rods.
- Do not exceed the recommended thread specifications:
 - 540 for .17 and .20 caliber
 - 832 male above .20 caliber
- Ensure that the cleaning rod is securely attached to the brass loop before use.
- Avoid applying excessive force while cleaning to prevent damage to the firearm and the cleaning equipment.
- Store the product in a dry place to prevent corrosion.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning tools, including the appropriate cleaning rod and adapters.

2. Installation:

- Attach the brass loop to the cleaning rod by screwing it securely onto the male thread.
- If using Dewey Coated Rods, install the necessary adapter before attaching the brass loop.

3. Usage:

- Insert the cleaning rod with the attached brass loop into the firearm barrel carefully.
- Use a backandforth motion to clean the barrel, applying solvent or cleaning solution as needed.
- After cleaning, remove the brass loop from the rod and clean it according to the manufacturer's instructions.

4. PostUse Care:

- Wipe the brass loop with a clean cloth to remove any residue.

- Store the brass loop and cleaning rod together in a protective case.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not throw the product in regular household waste if it is damaged or unusable.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the BRASS LOOPS DEWEY 17L, please refer to the product packaging for contact details of the manufacturer or a qualified professional.

By following these guidelines, you can ensure safe and effective use of the BRASS LOOPS DEWEY 17L. Always prioritize safety and stay informed about best practices for firearm maintenance. Thank you for your attention to these important safety instructions.
