Match-Grade Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .22 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

Safety Instructions for CONTOUR #4 DOUGLAS .358 112 CM #4 CONTOUR ULTRA RIFLED BARREL

Introduction

Thank you for choosing the CONTOUR #4 DOUGLAS .358 112 CM #4 CONTOUR ULTRA RIFLED BARREL. This product is designed for precision and quality in rebarrelling projects. In order to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe handling and use of the barrel to prevent accidents and injuries.
- Familiarize yourself with the product specifications and features before use.
- Always wear appropriate personal protective equipment (PPE) during installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling can lead to injury.
- Use of the barrel in incompatible firearms may result in malfunction.

- **Avoiding Hazards:**

- Always ensure the barrel is compatible with your firearm's specifications.
- Do not exceed the recommended caliber and twist specifications.
- Inspect the barrel for any visible defects before installation.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are supervised by a qualified individual during installation and usage.

Instructions for Installation and Usage

- **Installation:**

- Gather all necessary tools and materials before beginning the installation.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old barrel according to the manufacturer's instructions.
- Install the new barrel by following these steps:
 1. Align the barrel with the receiver.
 2. Secure the barrel using the appropriate torque specifications.
 3. Ensure all screws and fasteners are tightened properly.

- **Usage:**

- Always follow the manufacturer's guidelines for operating your firearm.

- Use only ammunition that is compatible with the .358 caliber and the specifications of the barrel.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.
- Monitor the barrel for signs of wear or damage after each use.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding metal waste and firearm components.
- Do not dispose of the barrel in regular household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or contact your local authorized dealer. Ensure that you have the product details and specifications at hand for accurate assistance.

By following these safety instructions, you can ensure a safe and effective experience with your CONTOUR #4 DOUGLAS .358 112 CM #4 CONTOUR ULTRA RIFLED BARREL. Thank you for your attention to safety and compliance.
