Safety Instruction Guide for CONTOUR #4 DOUGLAS .30 110 TWIST SS #4 CONTOUR ULTRA RIFLED BARREL

Introduction

Thank you for choosing the CONTOUR #4 DOUGLAS .30 110 TWIST SS #4 CONTOUR ULTRA RIFLED BARREL. This guide provides essential safety information and instructions to ensure the safe use of your barrel. Please read this guide thoroughly before use to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that all safety instructions are followed during the handling and use of the barrel.
- Always treat the barrel as if it is loaded to prevent accidental discharge.
- Store the barrel in a secure location, away from children and unauthorized users.
- Inspect the barrel regularly for any signs of damage or wear.
- Do not modify the barrel in any way, as this may compromise its safety and performance.
- Use appropriate personal protective equipment (PPE) when handling the barrel, including safety glasses and gloves.
- Be aware of your surroundings when using the barrel to prevent accidents and injuries.

Specific Safety Precautions for Use

- Always follow the manufacturer's guidelines for installation and usage.
- Ensure that the barrel is compatible with your firearm before installation.
- Use only recommended ammunition types for the caliber specified (.30 Caliber / .308).
- Do not exceed the maximum pressure limits as specified by the ammunition manufacturer.
- Be cautious of hot surfaces after firing, as the barrel may become hot and cause burns.
- Keep the barrel pointed in a safe direction at all times during handling.
- Be mindful of the potential for ricochet and ensure a safe backstop is in place when firing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment required for installation.
- Ensure your workspace is clean and organized to prevent accidents.

2. Installation:

- Verify that the firearm is unloaded and the safety is engaged.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new CONTOUR #4 barrel with the receiver of the firearm.
- Secure the barrel using the appropriate tools, ensuring it is tightened to the manufacturer's specifications.
- Check for proper alignment and fit.

3. Usage:

- Load the firearm with the appropriate ammunition.
- Ensure that the firearm is pointed in a safe direction before firing.
- Follow standard firearm safety practices when operating your firearm.

- After use, allow the barrel to cool before handling.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations and guidelines.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer usable, contact a local recycling facility for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details or your retailer for assistance. Always ensure that you have the latest information regarding safety recalls and updates.

By following these guidelines, you can ensure the safe and effective use of your CONTOUR #4 DOUGLAS .30 110 TWIST SS #4 CONTOUR ULTRA RIFLED BARREL. Thank you for prioritizing safety.
