# MTM Ammo Box 20 Round Belt Style 300 Winchester Mag 4570 7mm Re Safety Instructions

## Introduction

Thank you for choosing the MTM Ammo Box 20 Round Belt Style. This product is designed to securely hold ammunition for various calibers, ensuring safe storage and transport. Please read this safety instruction guide carefully to understand how to use this product safely and effectively in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to store and transport ammunition.
- Regularly inspect the ammo box for any signs of damage or wear. Do not use if damaged.
- Keep the ammo box out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding ammunition storage and transport.
- Report any unsafe product incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the ammo box is closed securely before transport.
- Do not exceed the recommended capacity of 20 rounds.
- Avoid exposing the ammo box to extreme temperatures or moisture, as this may affect the integrity of the ammunition.
- Store the ammo box in a cool, dry place away from direct sunlight.
- Do not use the ammo box if it has been involved in an accident or if its structural integrity is compromised.

## Instructions for Installation and Usage

### 1. Loading the Ammo Box:

- Open the ammo box by lifting the lid.
- Place the rounds in the designated slots, ensuring they are oriented correctly.
- Close the lid securely after loading.

### 2. Transporting the Ammo Box:

- Always carry the ammo box in a secure manner to prevent accidental opening.
- If transporting in a vehicle, ensure the box is secured to prevent movement.

### 3. Unloading the Ammo Box:

- Open the ammo box carefully.
- Remove the rounds one at a time, ensuring they are handled safely.

### 4. Cleaning and Maintenance:

- Wipe the exterior of the ammo box with a dry cloth to remove dust and debris.
- Do not use harsh chemicals or solvents that may damage the box.

## Disposal Instructions

- Dispose of the ammo box responsibly when it is no longer needed.
- Check local regulations for proper disposal methods for ammunition containers.
- Ensure that any unused ammunition is disposed of according to local laws.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the MTM Ammo Box, please refer to the contact information provided with your product packaging or visit the official website for assistance.

By following these guidelines, you can ensure safe use of the MTM Ammo Box 20 Round Belt Style and contribute to a safer environment for all users. Thank you for your attention to these important safety instructions.
