# MTM Sportsmen's Plus Utility Dry Box ORing Sealed Safety Instruction Guide

## Introduction

Thank you for choosing the MTM Sportsmen's Plus Utility Dry Box ORing Sealed 15x8.8x9.4. This product is designed to provide secure and dry storage for your essential items. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the dry box out of reach of children to prevent accidents.
- Regularly inspect the dry box for any signs of damage or wear.
- Do not overload the dry box beyond its designed capacity.
- Always close the Oring seal properly to maintain waterproof integrity.
- If you notice any unusual behavior (e.g., difficulty closing, cracks), discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Waterproofing:** Ensure that the Oring seal is clean and free from debris before closing to maintain waterproof functionality.
- **Temperature Sensitivity:** Avoid exposing the dry box to extreme temperatures, which may affect the integrity of the materials.
- **Chemical Exposure:** Do not store chemicals or hazardous materials inside the dry box unless specified by the manufacturer.
- **Impact Resistance:** Handle the dry box with care to prevent dropping or striking it against hard surfaces, which could cause damage.
- **Age Restrictions:** This product is not intended for use by children under the age of 12 without adult supervision.

## Instructions for Installation and Usage

### **1. Unpacking the Product:**

- Carefully remove the dry box from its packaging.
- Inspect for any damage that may have occurred during shipping. If damaged, do not use and contact the retailer.

### **2. Preparing for Use:**

- Ensure the Oring seal is intact and clean.
- Place the dry box on a flat, stable surface.

### **3. Filling the Dry Box:**

- Open the lid and place your items inside, ensuring they are dry and clean.
- Avoid overfilling the box, as this may compromise the seal.

### **4. Securing the Dry Box:**

- Close the lid firmly and ensure the Oring is properly seated in its groove.
- Press down on the lid to create an airtight seal, ensuring that no gaps are present.

### **5. Transporting the Dry Box:**

- Carry the dry box using the designated handles.
- Avoid stacking heavy items on top of the dry box during transport.

### **6. Cleaning and Maintenance:**

- Clean the exterior and interior of the dry box with a mild soap solution and a soft cloth.
- Rinse thoroughly and allow to air dry before storage.

## **Disposal Instructions**

- Dispose of the dry box in accordance with local regulations.
- Do not incinerate the product, as it may release harmful substances.
- If the dry box is no longer usable, consider recycling materials where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product concerns, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your MTM Sportsmen's Plus Utility Dry Box. Thank you for your attention to these guidelines.
