

# ENHANCED EJECTION PORT COVERS - MAGPUL ENHANCED EJECTION PORT COVER FOR AR-15 BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Covers](#)

The Enhanced Ejection Port Cover is a drop-in upgrade designed to provide an improved installation process, physical strength, and corrosion resistance over the standard USGI ejection port cover. Traditional stamped-steel ejection ports are malleable, prone to corrosion, and require tools to install. The Enhanced Ejection Port Cover snaps into place easily without having to remove your hand guard or barrel nut, wind any loose springs, or adjust small e-clips. Constructed of impact-resistant injection molded polymer, it is corrosion resistant and will not bend or deform from impacts. Installs easily in seconds. Direct replacement for USGI ejection port cover. Durable, injection-molded polymer construction. Corrosion resistant components. Will not bend or deform from impacts.

## Attributes

- Name: [MAGPUL ENHANCED EJECTION PORT COVER FOR AR-15 BLACK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 430100015
- Mfr. No.: MAG1206-BLK
- Weapon type: AR-15
- Delivery weight: 0.027kg
- Shipping height: 19mm
- Shipping width: 83mm
- Shipping length: 222mm
- UPC: 840815137948

## Item details

Made in USA

US export classification: 0A501.x

# Enhanced Ejection Port Cover Safety Instructions

## Introduction

Thank you for choosing the Enhanced Ejection Port Cover by Magpul for your AR15. This safety instruction guide provides essential information to ensure the safe use, installation, and maintenance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the Enhanced Ejection Port Cover is compatible with your AR15 model before installation.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Enhanced Ejection Port Cover for any signs of damage or wear.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not attempt to use the Enhanced Ejection Port Cover if it is damaged or shows signs of corrosion.
- Ensure that the firearm is unloaded and pointed in a safe direction before installation or maintenance.
- Avoid using excessive force during installation to prevent damage to the cover or firearm.
- Be cautious of sharp edges during handling and installation.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the area is clear of obstructions.
- Gather necessary tools, if any are needed for your specific model.

### 2. Installation Steps:

- Remove the existing USGI ejection port cover if applicable.
- Align the Enhanced Ejection Port Cover with the ejection port opening on your AR15.
- Carefully snap the cover into place. Ensure it is securely fastened without any gaps.
- Verify that the cover operates smoothly by opening and closing it several times.

### 3. PostInstallation:

- Inspect the installation to ensure that the cover is properly seated and functions correctly.
- Test the firearm to ensure that the ejection port cover does not obstruct any functions.

## Disposal Instructions

- Dispose of the Enhanced Ejection Port Cover in accordance with local regulations.
- Do not dispose of the product in general waste if it is damaged or contains hazardous materials.
- Check with local waste management facilities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Enhanced Ejection Port Cover, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. Ensure you have the product details and any relevant information ready to assist with your inquiry.

By following these safety instructions, you can ensure a safe and effective experience with your Enhanced Ejection Port Cover. Thank you for your attention to safety.
