

MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 SAGE GREEN SMALL 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cockpit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL® Flight Glove 2.0. This product is designed to provide superior tactile feedback and protection for various highdexterity tasks. Please read this safety instruction guide carefully to ensure safe usage and maintenance of the gloves.

General Safety Guidelines

- Ensure the product is suitable for the intended use.
- Regularly inspect the gloves for any signs of wear or damage before use.
- Follow all safety instructions provided in this guide to minimize risks.
- Keep this guide for future reference.

Specific Safety Precautions for Use

• Hazard Identification:

- The gloves are designed for use in environments where flame, heat, and static electricity may be present.
- Avoid using the gloves in environments where they may become excessively contaminated or damaged.

• Avoiding Hazards:

- Do not use the gloves if they are torn, worn out, or damaged.
- Keep the gloves away from sharp objects that could puncture or cut the material.
- Ensure gloves are dry before use to maintain grip and dexterity.
- Avoid exposure to extreme temperatures that may compromise the integrity of the materials.

• Age and Audience Specific Warnings:

- These gloves are not intended for use by children. Ensure that they are kept out of reach of children.

Instructions for Installation and Usage

• Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring a snug fit without restricting movement.
- Adjust the gauntlet coverage to extend past the wrist for added protection.

• Touchscreen Capability:

- The gloves feature ambidextrous threefinger touchscreen capability. Ensure the fingertips are clean for optimal performance.

• Maintenance:

- After use, clean the gloves with a damp cloth to remove any contaminants.

- Allow the gloves to air dry completely before storing them.
- Store the gloves in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the gloves in accordance with local regulations.
- Do not incinerate the gloves as they may release harmful substances when burned.
- If the gloves are damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MAGPUL® Flight Glove 2.0, please reach out to the designated EU contact point for support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your MAGPUL® Flight Glove 2.0. Thank you for your attention to safety!
