Lyman Products is proud to announce their 51st Edition Reloading Handbook. For more than a century, the Ideal and then Lyman handbooks have been the reloaders' core resource for proven reloading data. Lyman pioneered the concept of delivering a wide range of components to use in generating safe, accurate loads. As reloading has grown, so have Lyman handbooks, with each edition eclipsing its predecessor, growing in size and quantity of data and becoming an important addition to every serious reloader's library. Lyman's 51st Edition Reloading Handbook continues their standing as the proven source for reloading data. Lyman handbooks have always used the widest selection of cartridges, bullets and powder from all the major manufacturers. This 51st Edition continues their tradition as being the only data source using multiple brands throughout their data. New Cartridges Included: 224 Valkyrie, 22 Nosler, 24 Nosler, 6mm ARC, 6mm Creedmoor, 6.5 PRC, 6.5 Wea. RPM, 6.8 Western, 300 PRC, and more. Largest Selection of Bullets: Barnes, Berger, Hornady, Lapua, Sierra, Speer, Swift and Winchester plus full selection of Cast Bullets. Wide Range of Popular Powders: Accurate, Alliant, Hodgdon, IMR, Norma, Ramshot, VihtaVuori and Winchester. Feature Article on Progressive Presses: In addition to our standard How-To articles featuring loading on single station/turret presses, we also discuss Tips and Techniques for Loading on Progressive Presses. Full Color Edition: The 50th Anniversary Edition was our first reloading handbook produced in full color. The 51st Edition continues this well received enhancement.

Safety Instruction Guide for the 51st Edition Reloading Handbook

Introduction

Thank you for choosing the 51st Edition Reloading Handbook by Lyman Products. This guide provides essential safety instructions to ensure the safe and effective use of this product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe practices.

General Safety Guidelines

- Always read the entire handbook before beginning any reloading process.
- Ensure that you are familiar with the safe handling of firearms and ammunition.
- Keep the reloading area clean and organized to avoid accidents.
- Store all components, including powders and primers, in a secure location away from children and pets.
- Use protective equipment, such as safety glasses and gloves, when handling materials.
- Be aware of your surroundings and ensure that no unauthorized persons are present when reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Reloading materials can be hazardous. Follow all safety instructions to minimize risks.
 - Be cautious of static electricity when handling powders and primers.
- **Avoiding Hazards:**
 - Do not exceed recommended load data provided in the handbook.
 - Keep all components dry and free from contamination.
 - Always use the proper tools and equipment as specified in the handbook.
- **Age Restrictions:**
 - This handbook is intended for use by adults only. Ensure that minors do not have access to reloading materials or equipment.

Instructions for Installation and Usage

1. **Preparation:**
 - Read through the entire handbook to familiarize yourself with the content.
 - Gather all necessary tools and materials before starting the reloading process.
2. **Loading Process:**
 - Follow the stepbystep instructions provided for each cartridge type.
 - Measure all components accurately using calibrated scales and tools.
 - Inspect each cartridge after loading to ensure proper assembly.
3. **Safety Checks:**
 - Perform a visual inspection of all loaded ammunition before use.
 - Store ammunition in a cool, dry place, and label containers clearly.
4. **Maintenance:**
 - Clean all reloading tools and equipment regularly to maintain functionality.
 - Store the handbook in a safe, accessible location for future reference.

Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not throw away hazardous materials in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that all containers are sealed and labeled correctly before disposal.

Contact Information for Further Support

For safety inquiries or additional information regarding the 51st Edition Reloading Handbook, please reach out to the designated EU contact point provided with your product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and productive reloading experience. Always prioritize safety and stay informed about best practices in the reloading community. Thank you for choosing Lyman Products and happy reloading!
