

# OTB PLACARD 5.56X45 - SPIRITUS SYSTEMS OTB PLACARD 5.56 X .45 - MULTICAM

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

OTB Placard 5.56 x 45 Over The Beach Operations are some of the most challenging and miserable operations that service members must endure. We are proud to bring a suite of products that directly results in improved load carriage and soldier survival during sea borne operations. The LV Placard was designed to give users superior retention of magazines and other mission critical equipment. The usage of elastic creates form fitting cells that can hold a variety different items. The stretchy nature of elastic allows it to expand to accommodate large or oddly shaped pieces of equipment. Unlike other elastic pouches on the market, we utilize webbing at the base of the system instead of sewing it completely shut. This allows for maximum flex and articulation and assists in eliminating the "birthing" effect (this is where items begin to be pushed out of the pouch because the elastic tapers at the bottom). Spiritus Systems has also added laminate loops on the outside of each cell to allow for the attachment of retention loops or to allow you to pull the pouch open to insert items more easily. The back of the placard is fully lined with hard loop velcro for a secure fitment to your plate carrier. The OTB 5.56 Placard differs from the standard placard in that it has a webbing strap that has velcro and a snap added to it. This webbing strap snaps into the OTB O V E R T Front Plate Bag and the Velcro tucks inside the plate bag to keep the placard more secure when jumping into water. NOTE: This is a component of a Spiritus Systems OTB (Over The Beach) LV/119 Plate Carrier build. To build the COMPLETE plate carrier that this placard is compatible with, you will need to select AT LEAST ONE of each of these items: Spiritus Systems OTB Front Plate Bag Spiritus Systems OTB Rear Plate Bag Spiritus Systems OTB Tri Fold Shoulder Covers Spiritus Systems Cummerbund Set

## Attributes

- Name: [SPIRITUS SYSTEMS OTB PLACARD 5.56 X .45 - MULTICAM](#)

# OTB Placard 5.56X45 Safety Instruction Guide

## Introduction

Thank you for choosing the OTB Placard 5.56 x 45 from Spiritus Systems. This product is designed for use in Over The Beach Operations, providing enhanced load carriage and soldier survival during seaborne operations. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the placard.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the OTB Placard by following all instructions and guidelines provided. This product has been designed with safety features to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform for any updates regarding this product.
- **Online Shopping Protections:** If purchased online, ensure the seller complies with safety requirements as mandated by EU regulations.
- **Consumer Focus:** Extra caution should be taken when this product is used by vulnerable groups. Ensure that children are supervised if they are in proximity to this product.
- **EU Contact Point:** For any safety inquiries, refer to your local EU-based contact for assistance.
- **Rapid Alerts:** Be aware that updates on unsafe products are communicated quickly through the Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the placard is securely fitted to your plate carrier before use to prevent it from coming loose during operations.
- **Weight Limit:** Do not exceed the recommended weight limit for the placard to avoid compromising safety and functionality.
- **Inspect Regularly:** Regularly inspect the placard for signs of wear or damage. Replace any damaged components immediately to ensure safety.
- **Avoid Sharp Objects:** Keep sharp objects away from the placard to prevent punctures or tears in the material.
- **Weather Conditions:** Be cautious when using the placard in extreme weather conditions. Ensure that all components are dry and functioning properly before use in water.
- **Training:** Ensure that all users are trained in the proper use of the placard and understand its features.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the OTB Placard to your plate carrier by aligning the hard loop velcro on the back of the placard with the corresponding area on the plate carrier.
- Ensure that the webbing strap with velcro and snap is securely fastened to the OTB O V E R T Front Plate Bag.
- Tuck the velcro inside the plate bag to enhance security during use, especially when jumping into water.

### 2. Usage:

- Load the placard with magazines and missioncritical equipment. Ensure items are securely placed within the elastic cells.
- Adjust the placement of items to maintain balance and comfort during movement.
- When not in use, store the placard in a dry, cool place to prevent damage from environmental

factors.

## **Disposal Instructions**

- **Disposal:** When the OTB Placard is no longer needed or is damaged beyond repair, dispose of it in accordance with local regulations for textile and plastic waste.
- **Recycling:** If possible, recycle components of the placard that are made from recyclable materials. Check with local recycling facilities for guidelines.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the OTB Placard 5.56 x 45, please refer to your local EUbased contact point or the retailer from whom you purchased the product. Ensure that you have your product details ready for a more efficient response.

Thank you for prioritizing safety and functionality with the OTB Placard 5.56 x 45. Your adherence to these guidelines will enhance your operational effectiveness and ensure a safer experience.
