

M-LOK QUICK DETACH (QD) SLING MOUNT - RISE ARMAMENT RISE M-LOK QUICK DETACH (QD) SLING MOUNT FLAT DARK EARTH

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

With a low-profile design, the RISE M-LOK Quick Detach (QD) Sling Mount allows shooters to freely customize the position of their standard push-button sling. The RISE QD Sling Mount is compatible with all M-LOK handguards. Machined from 6061 aluminum, making it lightweight and durable. The RISE QD Sling Mount makes it incredibly easy to make room for other M-LOK attachments, such as lights or grips. Ready to install right out of the package - Allen wrench, screws, and T-nuts included. 100-percent made in the U.S.A.

MLOK Quick Detach (QD) Sling Mount Safety Instructions

Introduction

Thank you for choosing the RISE MLOK Quick Detach (QD) Sling Mount. This product is designed for safe and effective use with MLOK handguards. Please read this safety instruction guide carefully to ensure proper installation and usage. Following these guidelines will help you avoid potential hazards and ensure a safe experience.

General Safety Guidelines

- Ensure that the product is installed correctly according to the instructions provided.
- Always inspect the sling mount before each use for any signs of wear or damage.
- Use the sling mount only with compatible MLOK handguards to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check the EU Safety Gate platform regularly for any recall updates related to this product.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the sling and its attachments.
- Ensure that the sling is securely attached to the mount before use.
- Avoid using the sling mount in conditions that may compromise its structural integrity (e.g., extreme temperatures, moisture).
- If you notice any unusual sounds or movements during use, cease operation immediately and inspect the product.
- Always follow firearm safety rules when using the sling mount with a firearm.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools: Allen wrench (included), screws, and Tnuts (included).
- Align the sling mount with the desired MLOK slot on the handguard.
- Insert the Tnuts into the MLOK slots from the back of the handguard.
- Position the sling mount over the Tnuts and align the holes.
- Insert the screws through the sling mount into the Tnuts and tighten securely using the Allen wrench.
- Ensure that the mount is firmly attached and does not move.

2. Usage Instructions:

- Attach your standard pushbutton sling to the QD swivel.
- Adjust the sling to your preferred length and position.
- Regularly check the attachment and ensure that it remains secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in general household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions regarding the RISE MLOK Quick Detach (QD) Sling Mount, please refer to the manufacturer's website or customer support resources for assistance.
