MLOK Quick Detach (QD) Sling Mount Safety Instruction Guide

Introduction

Thank you for choosing the RISE MLOK Quick Detach (QD) Sling Mount. This product is designed to enhance your shooting experience by providing a secure and customizable sling attachment option. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the MLOK QD Sling Mount is installed correctly to prevent accidental detachment during use.
- Regularly inspect the sling mount for wear and tear. If any damage is found, discontinue use immediately.
- Always follow the manufacturer's guidelines for the use of attachments and accessories.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the sling mount, ensure that it is compatible with your MLOK handguard.
- Do not exceed the weight limit of the sling and its attachments as specified by the manufacturer.
- Avoid using the sling mount in extreme weather conditions that may affect its performance.
- Ensure that the sling is securely attached to the mount before use.
- Do not modify the sling mount in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Gather all included components: the MLOK QD Sling Mount, Allen wrench, screws, and Tnuts.
- Identify the desired position on your MLOK handguard for the sling mount.
- Align the sling mount with the MLOK slots and insert the Tnuts into the slots.
- Use the Allen wrench to tighten the screws securely, ensuring that the mount is firmly attached.

2. Usage:

- Attach your sling's pushbutton connector to the QD socket on the sling mount.
- Ensure that the connection is secure before using the sling.
- Adjust the sling to your preferred length for comfort and accessibility.

3. Regular Maintenance:

- Periodically check the tightness of the screws and the overall condition of the sling mount.
- Clean the mount with a soft cloth to remove dirt and debris that may affect its performance.

Disposal Instructions

- Dispose of the MLOK QD Sling Mount and its components in accordance with local regulations.
- If the product is damaged beyond use, consider recycling the aluminum components where facilities are available.
