

BIG GUNNER 8.6 BLACKOUT RIFLE BARRELS - FAXON FIREARMS 8.6 BLACKOUT 12 1-3 TWST BIG GUNNER CONTOUR CHROME MOLY BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Faxon Firearms is proud to partner with Q on the development of barrels for their revolutionary new round, 8.6 Blackout (8.6 BLK). With barrels employing an impressive 1:3 twist rate, 8.6 BLK channels rotational energy to increase energy on-target. As with all Faxon Barrels, these 8.6 BLK barrels are machined from raw bar stock in their greater Cincinnati Facility. Faxon 8.6 BLK barrels are fully stress-relieved, air-gauge tested, Magnetic Particle Inspected, and 11-degree target crowned to ensure superior accuracy. Constructed of 4150 CMV, each barrel goes through a battery of tests at each operation until finished in Nitride and final inspected. All Faxon Barrels are individually checked for headspace by precision custom hardened gauges and are backed by the Faxon Lifetime Guarantee. Consumer Note: At the time of release, 8.6 BLK is not SAAMI certified. Please use appropriate caution while firing and when using reloaded ammunition.

Attributes

Safety Instruction Guide for BIG GUNNER 8.6 BLACKOUT RIFLE BARRELS

Introduction

Thank you for choosing the BIG GUNNER 8.6 BLACKOUT RIFLE BARRELS by Faxon Firearms. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearms and ammunition in your area.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the barrel and any associated equipment in a secure location, away from children and unauthorized users.
- Inspect the barrel for any signs of damage or wear before each use.
- Use only the recommended ammunition (8.6 Blackout) for this barrel.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- The BIG GUNNER 8.6 BLACKOUT RIFLE BARRELS is designed for experienced users. If you are a beginner, seek guidance from a qualified instructor.
- Always wear appropriate eye and ear protection when firing.
- Do not attempt to modify or alter the barrel in any way.
- If you experience a misfire or hangfire, keep the firearm pointed downrange for at least 30 seconds before attempting to open the action.
- Avoid using reloaded ammunition unless it has been thoroughly inspected and is known to be safe.
- Be cautious of the barrel's heat after firing; allow it to cool before handling.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and the action is open.
- Remove the old barrel according to the firearm's manufacturer instructions.
- Install the BIG GUNNER 8.6 BLACKOUT barrel by following the specific torque specifications provided by the firearm manufacturer.
- Confirm that the barrel is securely attached and check for proper alignment.

2. Usage

- Load only 8.6 Blackout cartridges into the firearm.
- Follow the manufacturer's guidelines for loading and firing your specific firearm model.
- Use the rifle in a controlled environment, such as a shooting range, where all safety protocols are observed.
- After firing, clean the barrel regularly to maintain performance and safety.

Disposal Instructions

- Dispose of any used or damaged barrels in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact a local waste disposal facility for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any safety inquiries or concerns regarding your BIG GUNNER 8.6 BLACKOUT RIFLE BARRELS, please refer to the official Faxon Firearms website or contact your local dealer for assistance.

By following these guidelines, you can ensure a safer experience with your BIG GUNNER 8.6 BLACKOUT RIFLE BARRELS. Thank you for your attention to these important safety measures.
