Safety Instruction Guide for the Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope. This guide provides essential safety information to ensure the safe and effective use of your rifle scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the rifle scope with care to prevent damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly inspect the rifle scope for any signs of damage or wear.
- Do not attempt to disassemble or modify the scope.
- Be aware of your surroundings when using the scope to avoid accidents.

Specific Safety Precautions for Use

- **Locking Turrets:** Ensure that the locking turrets are securely locked before use to prevent unintended adjustments during operation.
- **Illuminated Reticles:** Use the illumination feature judiciously and ensure that the brightness is set to a comfortable level to avoid eye strain.
- **Battery Safety:** Use only the specified battery (CR2032) and dispose of used batteries properly according to local regulations.
- **Weight Consideration:** The scope weighs 1.22 lbs; ensure that your firearm can support this weight without affecting balance or handling.
- **Field of Use:** This scope is designed for law enforcement and selfdefense applications. Ensure that you are trained and authorized to use it in such contexts.

Instructions for Installation and Usage

1. Installation:

- Mount the scope securely onto your firearm's Picatinny or Weaver rail using the provided mounting hardware.
- Ensure that the scope is level and aligned with the barrel for accurate aiming.
- Tighten the mounting screws firmly, but avoid overtightening, which may damage the scope or firearm.

2. Usage:

- Adjust the magnification by turning the magnification ring until the desired level is achieved.
- Use the throw lever for quick magnification changes.
- To activate the illuminated reticle, press the illumination button and select your desired brightness level.
- Regularly check your zeroing to maintain accuracy.

Disposal Instructions

- Dispose of the rifle scope according to local regulations and environmental guidelines.
- For electronic components, such as the battery, follow proper disposal methods for hazardous waste.

- If the product is damaged beyond repair, consult with local waste management authorities for appropriate disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope, please contact the manufacturer directly or refer to the product documentation for further assistance.

Conclusion

By adhering to the safety guidelines outlined in this document, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead rifle scope. Always prioritize safety and be aware of your responsibilities as a user of this product. Thank you for your attention to these important safety instructions.
