

# DOUBLE SCOPED RIFLE CASE 51" BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

The newest offering in the MTM Rifle Case lineup is a double version of the Scoped Rifle Case. It is designed to hold two rifles or shotguns up to 50.5 inches long, wide enough for scoped models. The Double Scoped Rifle Case is molded from specially formulated, high-impact plastic. It is designed with four hinges and kept securely latched by four strong snap latches. For added security, four lock points are located next to each latch. Rifles are held secure during transport via a set of quality convoluted foam.

# DOUBLE SCOPED RIFLE CASE Safety Instructions

## Introduction

Thank you for choosing the DOUBLE SCOPED RIFLE CASE. This product is designed to securely hold two rifles or shotguns, providing protection and ease of transport. Please read this safety instruction guide carefully to ensure safe and proper use of your rifle case.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose: transporting rifles or shotguns up to 50.5 inches long.
- Always inspect the case for damage before use. Do not use if any part is broken or compromised.
- Keep the case out of reach of children and pets to prevent accidents.
- Use the case in accordance with local laws and regulations regarding firearm transport.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always secure rifles or shotguns in the case using the provided convoluted foam to prevent movement during transport.
- Ensure that all four snap latches are securely fastened before moving the case.
- Use the lock points to add an extra layer of security when storing the case.
- Avoid placing heavy objects on top of the case to prevent damage.
- Do not expose the case to extreme temperatures or harsh chemicals, as this may affect the integrity of the plastic material.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Case:** Carefully remove the case from its packaging. Inspect for any damage.
2. **Check Components:** Ensure all components, including latches and foam inserts, are present and functioning.
3. **Select Storage Location:** Choose a dry, cool area for storage, away from direct sunlight and moisture.

### Usage

#### 1. Loading Firearms:

- Open the case by releasing the snap latches.
- Place the rifles or shotguns inside the case, ensuring they are positioned securely.
- Use the convoluted foam to cushion and hold the firearms in place.
- Close the case and secure all snap latches.

#### 2. Transporting the Case:

- Always carry the case by its handles.
- Ensure the case is securely closed before moving.
- Avoid dropping or jarring the case to protect the contents.

#### 3. Storing the Case:

- Store the rifle case in a locked location when not in use.
- Ensure it is out of reach of unauthorized users, particularly children.

## **Disposal Instructions**

- When the case reaches the end of its life, dispose of it responsibly according to local regulations.
- Recycle the plastic material if possible. Check with local recycling facilities for guidelines on plastic disposal.
- Do not burn the case, as this may release harmful fumes.
