Safety Instruction Guide for MONTE CARLO CARBON FIBER COMPOSITE STOCK

Introduction

Thank you for choosing the Monte Carlo Carbon Fiber Composite Stock for your Remington 700. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new gunstock. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the stock.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Inspect the stock for any damage or defects before installation.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use the stock only with compatible firearm models as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the stock is properly fitted to your action to avoid any malfunctions during use.
- Do not attempt to modify the stock beyond the manufacturer's specifications.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any issues with the stock, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe.
- Gather necessary tools, including a screwdriver and any additional fitting tools required.

2. Installation:

- Remove the existing stock from the firearm by unscrewing the action screws.
- Position the Monte Carlo stock onto the firearm's action, ensuring it aligns with the recoil lug.
- Secure the stock to the action using the provided screws. Ensure they are tightened to the manufacturer's specifications.
- If necessary, bed the stock at the recoil lug and check for proper fit. Additional fitting may be required for optimal performance.

3. Usage:

- Once installed, perform a thorough check to ensure all components are secure.
- Test the stock by handling the firearm in a safe environment. Ensure that it functions correctly and comfortably.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding composite materials.
- Do not burn or incinerate the stock, as it may release harmful substances.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Monte Carlo Carbon Fiber Composite Stock, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details handy for a more effective response.

By following these guidelines, you can ensure a safe and enjoyable experience with your new Monte Carlo Carbon Fiber Composite Stock. Thank you for your attention to safety.
