# Safety Instruction Guide for MONTE CARLO CARBON FIBER COMPOSITE STOCK

## Introduction

Thank you for choosing the Monte Carlo Carbon Fiber Composite Stock for Remington 700. This guide provides important safety information and instructions to ensure the safe use, installation, and disposal of your product. Please read this guide carefully before using the stock.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and ensure they are unloaded when not in use.
- Regularly inspect the stock for any signs of damage or wear.
- Store the stock in a dry, safe place away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to firearm malfunction.
  - Use of the stock with incompatible firearm models can pose safety risks.
- **Avoiding Hazards:**
  - Ensure the stock is properly fitted to your firearm model (Remington 700).
  - Do not modify the stock without professional assistance.
  - Always use the stock in a controlled environment, free from distractions.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm by loosening the screws.
- Position the Monte Carlo Carbon Fiber Composite Stock onto the action of the firearm.
- Securely fasten the screws to ensure a tight fit.
- Check that the recoil lug is properly bedded.
- If necessary, seek professional fitting for optimal performance.

### 2. Usage:

- Always check the stock for secure attachment before use.
- Familiarize yourself with the stock's features, including the cheek height and rail.
- Use the stock in accordance with the manufacturer's specifications.
- Regularly clean and maintain the stock to ensure longevity and performance.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding composite materials.
- Do not burn the stock as it may release harmful substances.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Monte Carlo Carbon Fiber Composite Stock, please contact the manufacturer or your local retailer. Ensure to have your purchase details ready for assistance.

Thank you for prioritizing safety and compliance. Enjoy your shooting experience with the Monte Carlo Carbon Fiber Composite Stock.
