Introduction

Thank you for choosing the RIDGELINE 300 WIN MAG BARRELED ACTION by Christensen Arms. This guide provides essential safety instructions and information to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat the barreled action as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when using the product.
- Regularly inspect the barreled action for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Do not modify the barreled action in any way that could compromise safety or performance.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of boltaction firearms before use.
- Use only the recommended ammunition type (300 Winchester Magnum) for this barreled action.
- Avoid using damaged or defective ammunition.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Do not engage in shooting activities under the influence of alcohol or drugs.
- Always keep your finger off the trigger until ready to shoot.
- Ensure that the safety mechanism is engaged until you are ready to fire.

Instructions for Installation and Usage

Installation

1. Ensure that the work area is clean and free of distractions.
2. Verify that the barreled action is unloaded and the safety is engaged.
3. Select a compatible long action Rem 700 footprint stock for installation.
4. Carefully align the barreled action with the stock and secure it using the appropriate screws.
5. Check that the action is firmly seated in the stock without any gaps.
6. If necessary, make slight modifications to the stock for a proper fit.

Usage

1. Load the firearm only when you are in a designated shooting area.
2. Check the barrel for obstructions before loading.
3. Load ammunition into the magazine according to the manufacturer's instructions.
4. When ready to fire, disengage the safety mechanism.
5. Aim at the target, and squeeze the trigger smoothly to fire.
6. After firing, keep the firearm pointed downrange and wait for a few moments before inspecting it.

Disposal Instructions

- Dispose of unused or expired ammunition in accordance with local regulations.
- When disposing of the barreled action, ensure it is done safely and legally.

- Contact your local waste management authorities for guidance on proper disposal methods.
