

# MESA 300 WINCHESTER MAGNUM BARRELED ACTION - CHRISTENSEN ARMS MESA 300 WINMAG BBL ACTION 26" 1-10 VARMINT CONTOUR TUNGSTEN

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Barreled Receivers](#)

The heart of the famous Christensen Mesa Long Range is now available as a foundation for your build. Compatible with long action Rem 700 footprint stocks, you can make your Christensen Mesa barreled action in any configuration you choose. Please note that while most Rem 700 footprint stocks and actions are drop-in compatible, stocks may require slight modification and fitting in certain areas. This barreled Action features a 416T stainless steel action, chambered in 300 Win Mag, with a 26-inch heavy stainless steel barrel with a 1:10 twist cerakoted in Tungsten.

# Safety Instruction Guide for MESA 300 Winchester Magnum Barreled Action

## Introduction

Thank you for choosing the MESA 300 Winchester Magnum Barreled Action by Christensen Arms. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before using the barreled action.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the barreled action as if it is loaded.
- Keep the barreled action pointed in a safe direction at all times.
- Store the barreled action in a secure location, inaccessible to children and unauthorized users.
- Regularly inspect the barreled action for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Use only the recommended ammunition type (300 Winchester Magnum) to avoid malfunctions or accidents.
- Always wear appropriate safety gear, including eye and ear protection, when using the barreled action.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that all users are of legal age and have received proper training.
- **Modification Warning:** Any modifications to the barreled action may compromise its safety and performance. Do not attempt to modify the product without consulting a qualified gunsmith.
- **Environmental Considerations:** Avoid using the barreled action in adverse weather conditions, such as heavy rain or high winds, which may affect performance and safety.
- **Cleaning and Maintenance:** Regularly clean and maintain your barreled action according to the manufacturer's recommendations. Failure to do so may result in malfunctions or unsafe conditions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have a compatible long action Rem 700 footprint stock.
- Carefully place the barreled action into the stock, aligning the action with the stock's inlet.
- Secure the barreled action using the appropriate screws and tools, ensuring that it is tightly fitted but not overtightened.
- Check for any misalignment or gaps between the barreled action and the stock.

### 2. Usage:

- Before loading, visually inspect the chamber to ensure it is clear of any obstructions.
- Load the ammunition into the magazine according to the manufacturer's instructions.
- After loading, ensure the safety mechanism is engaged until you are ready to fire.
- When ready to fire, disengage the safety and take aim at your target.
- After firing, always check the chamber and magazine to ensure they are clear before handling the barreled action further.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition according to local regulations.
- When disposing of the barreled action, follow applicable laws regarding the disposal of firearms and related components.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your MESA 300 Winchester Magnum Barreled Action, please reach out to your local retailer or authorized Christensen Arms dealer. They can provide you with additional information and support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MESA 300 Winchester Magnum Barreled Action. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
