The heart of the famous Christensen Mesa is now available as a foundation for your build. Compatible with long action Rem 700 footprint stocks, you can make your Christensen Mesa barreled action in any configuration you choose. Please note that while most Rem 700 footprint stocks and actions are drop-in compatible, stocks may require slight modification and fitting in certain areas. This barreled Action features a 416T stainless steel action, chambered in 300 PRC, with a 24-inch stainless steel barrel with a 1:8 twist cerakoted in Tungsten.

# MESA 300 PRC Barreled Action Safety Instructions

## Introduction

Thank you for choosing the MESA 300 PRC Barreled Action by Christensen Arms. This product is designed to provide you with a highperformance platform for your firearms build. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat the barreled action as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Never point the firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.
- Store the barreled action in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using the barreled action.
- Regularly inspect the barreled action for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a qualified adult.
- **Firearm Compatibility:** Ensure that your stock is compatible with the Rem 700 footprint before installation. Incompatible stocks may lead to improper fitting and unsafe use.
- **Modification Warning:** Any modifications to the barreled action or stock should only be performed by a qualified gunsmith. Improper modifications can lead to malfunction or injury.
- **Ammunition:** Use only the recommended ammunition type (300 PRC) with this barreled action. Using incorrect ammunition can cause serious injury or damage to the firearm.
- **Cleaning and Maintenance:** Follow the manufacturer's guidelines for cleaning and maintenance. Failure to maintain the barreled action can lead to malfunctions or unsafe conditions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the barreled action is not installed in a stock and is in a safe condition.
- Gather necessary tools for installation, including screwdrivers and any required hardware.

### 2. Installation:

- Align the barreled action with the stock, ensuring that it fits securely into place.
- Use the appropriate screws to secure the barreled action to the stock. Do not overtighten, as this may damage the components.
- Check for proper alignment and fit. The action should be stable and not move within the stock.

### 3. Usage:

- Before firing, ensure that the safety is engaged until you are ready to shoot.
- Load the firearm in a safe area, following all safety protocols.
- After firing, always check the firearm for any signs of malfunction or damage.

#### **4. PostUsage:**

- Clean the barreled action according to the manufacturer's instructions after each use.
- Store the barreled action in a secure, dry location.

## **Disposal Instructions**

When disposing of the MESA 300 PRC Barreled Action, follow these guidelines:

- Do not dispose of the barreled action in regular household waste.
- Contact your local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that all ammunition is safely disposed of according to local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the MESA 300 PRC Barreled Action, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you have the most up to date information regarding safety and usage.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your shooting experience responsibly!
