Safety Instruction Guide for AK Alpha Series Railed Dot Mount

Introduction

Thank you for choosing the AK Alpha Series Railed Dot Mount by Midwest Industries. This product is designed to enhance your shooting experience by providing a stable platform for your optics. To ensure safe and effective use, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is compatible with MI Alpha Series handguards. It is not compatible with other Midwest Industries generations or products from different manufacturers.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Store the product in a dry and secure location when not in use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the mount only with compatible picatinny mounted sights.
- Always verify that the optic is securely attached to the mount before use.
- Avoid using the mount in extreme conditions that may compromise its integrity, such as excessive heat or moisture.
- Do not exceed the manufacturer's specifications for the weight of the optics used on the mount.
- Maintain a proper shooting stance and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing optics or attachments from the picatinny rail.
- Position the AK Alpha Series Railed Dot Mount on the picatinny rail of the MI Alpha handguard.
- Use the provided hardware to secure the mount, making sure it is tightened adequately to prevent movement.
- Confirm that the mount is level and aligned with your shooting position.

2. Usage

- Attach your optic to the mount following the manufacturer's instructions for the optic.
- Check that the optic is securely fastened and that there is no movement.
- Adjust your rear sight if necessary to achieve a lower 1/3 cowitness sight picture.
- Conduct a function check of your firearm to ensure everything is operating correctly before live firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the AK Alpha Series Railed Dot Mount, please consult the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your AK Alpha Series Railed Dot Mount. Thank you for your attention to these important safety instructions.
