Safety Instruction Guide for AK Alpha Series T2 Mount

Introduction

Thank you for purchasing the AK Alpha Series T2 Mount by Midwest Industries. This guide provides essential safety instructions and usage guidelines to ensure the safe operation of the product. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only with MI Alpha Series handguards. It is not compatible with other Midwest Industries generations or products from other manufacturers.
- Always inspect the mount for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about any product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the optic and accessories mounted on the T2 mount.
- Ensure that the mount is securely attached before using the rifle to prevent accidents.
- Avoid using the mount in extreme weather conditions that may compromise its structural integrity.
- Always maintain a firm grip on your firearm when using the mount to ensure stability and control.
- Follow all local laws and regulations regarding firearm usage and accessories.

Instructions for Installation and Usage

Installation

1. **Preparation:** Gather all necessary tools for installation, including a torque wrench and appropriate Allen keys.
2. **Inspect the Mount:** Check the mount for any visible defects or damage. Do not use if any issues are found.
3. **Attach the Mount:**
 - Align the T2 mount with the MI Alpha Series handguard.
 - Secure the mount using the provided attachment points.
 - Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
4. **Check Stability:** After installation, ensure that the mount is firmly attached and does not move or wobble.

Usage

1. **Optic Installation:**
 - Carefully attach your Aimpoint T2 pattern optic to the mount.
 - Ensure that the optic is securely fastened and properly aligned for optimal performance.
2. **Zeroing the Optic:**
 - Follow the manufacturer's instructions for zeroing your optic.
 - Confirm that the optic holds zero after adjustments.
3. **Maintaining the Mount:**
 - Regularly check the mount for any loose screws or signs of wear.
 - Clean the mount with a soft cloth to remove dirt and debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries or additional support, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

Thank you for choosing the AK Alpha Series T2 Mount. Your safety and satisfaction are our top priorities. Please follow these guidelines to ensure a safe and enjoyable experience.
