

# ARIC INTERNAL CARRIERS FOR AR-15 - LAW TACTICAL ARIC-M INTERNAL CARRIER FOR SUPRESSED AR-15

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

LAW TACTICAL LLC ARIC INTERNAL CARRIERS FOR AR-15 FIRE FOLDED! The Law Tactical ARIC (AR Internal Carrier) is a drop in conversion for AR15-type direct impingement firearms that replaces the traditional Bolt Carrier Group, Recoil Spring and Buffer. Firearms equipped with ARIC and Law Tactical Folding Stock Adapters can be fired repeatedly in both the folded and unfolded position, expanding the mission profile of the AR15. NO TOOLS REQUIRED! Once installed, ARIC does not require any tools for removal, reinstallation, cleaning, maintenance or conversion. Each component can be field stripped, inspected or replaced without tools. Maintaining the simplicity and efficiency of the AR system. 100% BACKWARD COMPATIBILITY! ARs can be converted between ARIC and standard BCGs and recoil components without tools, maintaining compatibility with standard AR15 components, enhancing the ARs capabilities while maintaining interoperability. THERE ARE TWO VERSIONS OF ARIC TO ACCOMMODATE VARIOUS SYSTEMS: ARIC-C: Unsuppressed Usage: 5.56mm NATO, .223 Remington. ARIC-M: Suppressed Usage : 5.56mm NATO, .223 Remington, Unsuppressed Usage: 5.56 Nato. See ARIC Version Selection Guide for more information. For all technical questions please contact Law Tactical directly at: 267-209-0529, or [sales@lawtactical.com](mailto:sales@lawtactical.com).

# Safety Instruction Guide for ARIC Internal Carriers for AR15

## Introduction

Thank you for choosing the ARIC Internal Carrier for your AR15 firearm. This guide provides essential safety instructions to ensure the safe use and maintenance of the product. Please read this guide carefully to understand how to operate and care for your ARIC Internal Carrier safely.

## General Safety Guidelines

- Ensure that you are familiar with the operation of AR15 firearms before using the ARIC Internal Carrier.
- Always treat all firearms as if they are loaded, even if you believe they are not.
- Keep the firearm pointed in a safe direction at all times.
- Store the ARIC Internal Carrier and the firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the ARIC Internal Carrier for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction of the firearm.
  - Using the ARIC Internal Carrier with incompatible components may result in unsafe operation.
- **Instructions for Avoiding Hazards:**
  - Always ensure the firearm is unloaded before installation or maintenance.
  - Do not attempt to modify the ARIC Internal Carrier or any of its components.
  - Use only compatible ammunition as specified in the product description.
  - Avoid using the firearm in adverse weather conditions that may affect performance.
- **AudienceSpecific Warnings:**
  - This product is intended for use by individuals over the age of 18.
  - Ensure that inexperienced users are supervised by a knowledgeable adult when using the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing Bolt Carrier Group, Recoil Spring, and Buffer from the firearm.
- Insert the ARIC Internal Carrier into the firearm, ensuring it is seated properly.
- Reinstall any other components as necessary, ensuring all parts are secure.

### 2. Usage:

- The ARIC Internal Carrier allows for operation in both folded and unfolded positions.
- To fire, ensure the firearm is in a safe and stable position.
- Follow standard operating procedures for firing the AR15, including proper stance and grip.
- Regularly check functionality and cleanliness of the ARIC Internal Carrier during use.

### **3. Maintenance:**

- After use, field strip the firearm to clean the ARIC Internal Carrier and other components.
- Use a clean cloth to wipe down the carrier and remove any debris or residue.
- Inspect all components for wear and replace as needed.

## **Disposal Instructions**

- Dispose of the ARIC Internal Carrier in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any technical questions or support regarding the ARIC Internal Carrier, please contact the manufacturer directly. Ensure to have your product details ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of the ARIC Internal Carrier for your AR15. Always prioritize safety and responsibility when handling firearms.
