# HERRING MODEL 2024 5.56MM NATO LEVER ACTION RIFLE Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the HERRING MODEL 2024 5.56MM NATO Lever Action Rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your firearm. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Ensure that the firearm is stored securely and out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Use only the specified ammunition for this firearm (5.56 mm NATO).
- Always wear appropriate eye and ear protection when shooting.

## Specific Safety Precautions for Use

- **Handling:**
  - Always handle the firearm with care and respect.
  - Do not attempt to modify or alter the firearm in any way.
- **Shooting:**
  - Ensure that the shooting area is clear of people and obstacles before firing.
  - Be aware of your target and what lies beyond it.
  - Do not shoot at hard surfaces or water as bullets may ricochet.
- **Maintenance:**
  - Clean the firearm regularly according to the manufacturer's instructions.
  - Use only recommended cleaning products and tools.
- **Transportation:**
  - Transport the firearm in a secure case.
  - Ensure the firearm is unloaded during transportation.
- **Storage:**
  - Store the firearm in a locked safe or cabinet.
  - Use a trigger lock or other safety device when storing the firearm.

## Instructions for Installation and Usage

### Installation

1. **Check the Firearm:**

- Ensure that the firearm is unloaded before installation.
- Inspect all components for damage or defects.

## **2. Attach Accessories:**

- Follow the manufacturer's instructions for attaching any accessories, such as sights or optics.
- Ensure that all accessories are securely mounted and functioning properly.

## **Usage**

### **1. Loading the Magazine:**

- Use only the specified 10round magazine for your firearm.
- Load the magazine according to the manufacturer's instructions.

### **2. Operating the Firearm:**

- To fire, engage the safety selector and pull the lever to chamber a round.
- Aim at your target and pull the trigger to fire.
- After firing, engage the lever to eject the spent casing and chamber a new round.

### **3. Unloading the Firearm:**

- Engage the safety selector.
- Remove the magazine and ensure that there are no rounds in the chamber.

## **Disposal Instructions**

When disposing of the firearm, follow local laws and regulations regarding firearm disposal. It is recommended to contact a licensed firearms dealer or local law enforcement for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safe use of your HERRING MODEL 2024 5.56MM NATO Lever Action Rifle, please consult the manufacturer's website or contact their support team directly.

## **Conclusion**

Your safety and the safety of others is paramount. By following the guidelines outlined in this instruction manual, you can ensure a safe and enjoyable experience with your HERRING MODEL 2024 Lever Action Rifle. Always stay informed and proactive about firearm safety. Thank you for your attention to these important safety instructions.
