

VOLTHANE TARGET GRIPS FOR RUGER MARK IV - VOLQUARTSEN

VOLTHANE TARGET GRIPS FOR RUGER MK IV BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Featuring an aggressive no-slip diamond checkering, these Volthane Grips for the Ruger MK IV are made from a proprietary material designed to withstand the elements as well as hold up to moisture, gun oils, and cleaners. This unique one piece design offers an improved fit that accommodates most hand sizes. The thumbrest, heelrest, and finger grooves are all carefully designed to provide you more control of the Ruger® MK IV™ pistol. FEATURES Also includes Volquartsen Extended Bolt Release and mounting screws. Available right-handed only. Not compatible with 22/45-style frames. Only compatible with standard size magazine releases. If your pistol has an extended magazine release (MK IV Hunter and Competition models), you will need to replace it with Volquartsen's Magazine Release for MK IV when installing these grips.

VOLTHANE TARGET GRIPS FOR RUGER MARK IV

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for purchasing the Volthane Target Grips for Ruger Mark IV. This guide provides essential safety instructions to ensure the safe use and installation of your new grips. Please read this document carefully to understand how to handle and maintain your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the grips are installed correctly to avoid any accidents or malfunctions while handling your firearm.
- Regularly inspect the grips for any signs of wear or damage. Do not use the grips if they are compromised.
- Store your firearm in a secure location, away from children and unauthorized users.
- Always follow the manufacturer's guidelines for your specific firearm model.
- If you experience any issues with the grips or your firearm, consult a qualified gunsmith or contact the manufacturer for assistance.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that these grips are compatible with your Ruger Mark IV model. They are not compatible with 22/45style frames and require standard size magazine releases.
- **Installation Warning:** If your pistol has an extended magazine release (MK IV Hunter and Competition models), you must replace it with Volquartsen's Magazine Release for MK IV before installing these grips.
- **Moisture and Cleaning:** The grips are designed to withstand moisture and gun oils; however, avoid excessive exposure to harsh cleaners that may damage the material.
- **Grip Handling:** Use caution when gripping the firearm. The aggressive noslip diamond checkering is designed for improved control, but always maintain a firm grip to prevent accidental discharge.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools (screwdriver, etc.) for installation.
- Ensure your firearm is unloaded and the magazine is removed.

2. Installation Steps:

- Remove the existing grips from your Ruger Mark IV using the appropriate screwdriver.
- Align the Volthane Target Grips with the grip frame of the firearm.
- Insert the mounting screws and tighten them securely, ensuring the grips are firmly attached.
- Check that the thumbrest, heelrest, and finger grooves are positioned correctly for optimal control.

3. Usage:

- Once installed, familiarize yourself with the grip's features, including the thumbrest and finger grooves, to enhance your shooting experience.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- When disposing of the grips, follow local regulations regarding the disposal of firearm accessories.
- If the grips are damaged beyond use, consider recycling the material if possible, or dispose of them in a safe manner that prevents accidental use.

Contact Information for Further Support

For any questions or concerns regarding the Volthane Target Grips for Ruger Mark IV, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you encounter any issues or require further clarification on safety practices.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Volthane Target Grips for Ruger Mark IV. Always prioritize safety and responsible firearm handling.
