M17/M18 Optic Mounting Plate Safety Instructions

Introduction

Thank you for choosing the M17/M18 Optic Mounting Plate with Acro from Forward Controls Design. This product is designed to enhance the functionality of your Aimpoint ACRO sights while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Always inspect the mounting plate for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you experience any issues with the product, cease use immediately and consult the manufacturer or a qualified professional.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Confirm compatibility with your firearm model (Sig Sauer P320 M17, P320 M18) before installation.
- Ensure that the mounting plate is securely attached to prevent accidental detachment during use.
- Follow the specified torque values (20 to 25 in·lb) when fastening the screws to avoid overtightening or undertightening.
- Use the provided T20 key for installation; other tools may not fit properly and could cause damage.
- Avoid exposing the mounting plate to extreme temperatures or harsh chemicals that may affect its integrity.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: M4 screws, T20 key, and a packet of VC3.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Align the M17/M18 optic mounting plate with the designated mounting area on your firearm.
- Insert the M4 screws through the mounting plate and into the firearm.
- Using the T20 key, tighten the screws to the specified torque value (20 to 25 in·lb).
- Check the alignment of the optic and ensure it is securely fastened.

3. Usage

- Once installed, attach your Aimpoint ACRO sight to the mounting plate according to the manufacturer's instructions.
- Regularly check the mounting plate and sight for any signs of loosening or wear during use.

Disposal Instructions

- Dispose of the M17/M18 optic mounting plate and any packaging materials in accordance with local waste management regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For inquiries related to safety, installation, or product performance, please refer to the manufacturer's customer support resources or your point of purchase.

By following these guidelines, you can ensure safe and effective use of your M17/M18 Optic Mounting Plate with Acro. Thank you for your attention to safety and for choosing Forward Controls Design.
