

DAKA® GRID ORGANIZER FOR PELICAN™ V730 VAULT - MAGPUL DAKA GRID CASE ORGANIZER FOR PELICAN VAULT V730

Magpul's DAKA GRID Organizer is a fully customizable drop-in organizational solution that secures and protects your important equipment when it's stored or transported in your existing hard case. Specifically designed to fit Pelican™ Vault V730 gun cases, the GRID Organizer is completely reconfigurable to meet your storage needs. Individual Expanded Polypropylene (EPP) Panels and Blocks nest together securely to maximize protection, versatility, and ease-of-use. They can be organized to brace and immobilize rifles, optics, ammunition, accessories, and other gear, and they can be quickly removed and reinstalled for your next loadout. The lightweight GRID system uses compression to immobilize and compartmentalize your gear, firmly holding it in place and providing advanced protection during transport. The result is less movement and better impact resistance for your gear than you'll get from current open cell foam options that can let your gear slide around inside your case during transport. Also, the GRID's EPP make up doesn't absorb contaminants like open cell foam does, providing resistance to liquid and chemical intrusion and mitigating contamination of your gear. Cleaning up dirt, chemicals, and liquids is easy with just a damp cloth. Offering numerous advantages over traditional foam and expensive laser-cut inserts, the GRID provides intuitive, modular organization at your fingertips. It's reconfigurable without tools, so it can be adapted to your loadout in seconds. If you're carrying wider or taller equipment, a center GRID Panel can also be removed to open up space for objects approximately 4.25" inches wide. If you end up needing to cut a Panel to create a unique cavity for wider gear, the EPP cuts smoothly and doesn't lose its strength or ability to protect your important equipment. For unique equipment loading techniques, see Magpul's Getting The Best Fit video and others in the Resources tab. Simple to configure, stronger than foam, and versatile enough to change with every loadout, the DAKA GRID Organizer lets you use every inch of your case to store and securely carry your gear the way you want. Includes GRID base Panels, 8 triple Blocks, 8 double Blocks, and replacement base foam. FEATURES EPP Panels and Blocks quickly replace current internal setup GRID system holds your gear securely and protects better than foam sheets Not just for firearms; can be used for all types of gear EPP construction is lighter and stronger than traditional foam Endlessly customizable and no tools required Unique gear loadouts set up in seconds GRID is stronger than open cell foam, holds your gear in place, and protects better from impacts Resists absorbing liquids and chemicals and easy to clean with a damp cloth Good temperature stability GRID Block arrangement lets you maximize the use of all of your space Ability to reconfigure the GRID means no cutting or plucking of foam that leaves you with one fixed configuration Weight: ~3 lbs COMPATIBILITY Pelican™ Vault V730 and Magpul DAKA Hard Case, R44 NOTE: PELICAN CASE SOLD SEPERATELY

Sicherheitshinweise für den DAKA® GRID Organizer für Pelican™ V730

Einführung

Herzlichen Glückwunsch zu deinem Kauf des DAKA® GRID Organizers von Magpul. Dieser Organizer bietet eine vollständig anpassbare Lösung zur sicheren Aufbewahrung und zum Transport deiner Ausrüstungsgegenstände. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass der Organizer nur für die vorgesehenen Zwecke verwendet wird.
- Halte den Organizer von Feuer und extremen Temperaturen fern.
- Verwende den Organizer nicht, wenn er beschädigt ist.
- Halte den Organizer außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Überprüfe vor der ersten Nutzung alle Teile auf Beschädigungen oder Mängel.
- Achte darauf, dass alle Teile sicher zusammenstecken, um ein Verrutschen während des Transports zu vermeiden.
- Verwende den Organizer nicht für Gegenstände, die schwerer sind als die empfohlenen Spezifikationen.
- Bei der Verwendung von EPP-Paneelen und Blöcken achte darauf, dass keine scharfen Kanten oder Risse vorhanden sind.

Anweisungen für Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass der Organizer und alle Teile sauber und unbeschädigt sind.
2. **Anpassung:**
 - Entferne oder füge EPP-Paneele und Blöcke nach Bedarf hinzu, um den Organizer an deine Ausrüstung anzupassen.
 - Das EPP lässt sich leicht zuschneiden, falls spezielle Anpassungen erforderlich sind.
3. **Befestigung:**
 - Stecke die Paneele und Blöcke sicher zusammen, um eine stabile Anordnung zu gewährleisten.
 - Überprüfe vor dem Transport, dass alles fest sitzt.
4. **Beladung:**
 - Platziere deine Ausrüstung so, dass sie stabilisiert und immobilisiert wird.
 - Achte darauf, dass keine Teile über den Rand des Organizers hinausragen.
5. **Reinigung:**
 - Verwende ein feuchtes Tuch, um den Organizer von Schmutz und Flüssigkeiten zu reinigen.

Entsorgungsanweisungen

- Entsorge den DAKA GRID Organizer und alle Teile gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass der Organizer nicht in die Umwelt gelangt und recycelbare Materialien ordnungsgemäß getrennt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu deinem DAKA GRID Organizer, wende dich bitte an den Hersteller oder deinen Händler.

Diese Sicherheitshinweise sind in Übereinstimmung mit den Anforderungen der EU-Verordnung über die

allgemeine Produktsicherheit (GPSR) erstellt worden. Stelle sicher, dass du alle Anweisungen befolgst, um die Sicherheit bei der Verwendung des Produkts zu gewährleisten.

DAKA GRID ORGANIZER FOR PELICAN V730 Safety Instruction Guide

Introduction

Thank you for choosing the DAKA GRID Organizer for your Pelican Vault V730 case. This guide provides essential safety instructions to ensure safe usage, installation, and disposal of the product. Please read this guide carefully before using the organizer to maximize its effectiveness and safety.

General Safety Guidelines

- Ensure that the DAKA GRID Organizer is compatible with your Pelican Vault V730 case.
- Always inspect the organizer for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the organizer only for its intended purpose as specified in this guide.
- Do not overload the organizer beyond its designed capacity.
- In case of any unusual odors, colors, or damage, discontinue use immediately.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of equipment damage if not properly secured.
- Potential for injury if the organizer is not used according to instructions.

- **Avoiding Hazards:**

- Ensure that all items stored in the organizer are securely positioned.
- Do not use sharp objects to cut or modify the EPP panels.
- Do not expose the organizer to extreme temperatures or harsh chemicals.
- Regularly check for signs of wear and tear, replacing any damaged panels or blocks.

- **AgeSpecific Warnings:**

- This product is not a toy. Keep away from children.
- Ensure that only adults handle the installation and reconfiguration of the organizer.

Instructions for Installation and Usage

1. Installation:

- Open your Pelican Vault V730 case and remove any existing foam or inserts.
- Lay the GRID base panels flat inside the case.
- Arrange the EPP panels and blocks according to your specific gear requirements.
- Ensure that all panels and blocks are securely nested together to maximize stability.

2. Usage:

- Place your equipment carefully into the designated areas.
- Adjust the configuration as needed for optimal gear immobilization.
- Ensure that the GRID system compresses your gear adequately to prevent movement during transport.
- For wider items, consider removing a center GRID panel to create additional space.

3. Reconfiguration:

- To reconfigure the organizer, simply remove the panels and blocks as needed.
- Reinstall them in a new arrangement without the need for tools.
- Cut EPP panels only if necessary and follow the guide for maintaining structural integrity.

Disposal Instructions

- Dispose of the DAKA GRID Organizer responsibly.
- EPP panels and blocks should be recycled where facilities exist.
- Do not incinerate or dispose of the product in regular waste bins.
- Follow local regulations for the disposal of nonbiodegradable materials.

Contact Information for Further Support

For any inquiries or concerns regarding the DAKA GRID Organizer, please refer to the manufacturer's website or contact your retailer for assistance. Always keep this guide for future reference to ensure safe and proper use of your product.

Thank you for your attention to these safety instructions. Enjoy the benefits of your DAKA GRID Organizer!

Guide de Sécurité pour l'Organisateur DAKA GRID de Magpul

Introduction

Félicitations pour l'achat de l'organisateur DAKA GRID de Magpul ! Ce produit a été conçu pour t'aider à organiser et sécuriser ton équipement dans un caisson rigide Pelican V730. Pour garantir une utilisation sûre et efficace, il est essentiel de suivre les instructions de sécurité cidessous.

Directives de Sécurité Générales

- Assuretoi que l'organisateur est utilisé uniquement avec des caissons Pelican V730 compatibles.
- Vérifie régulièrement l'état de l'organisateur et des éléments de fixation pour détecter tout signe d'usure ou de dommage.
- Ne surcharge pas l'organisateur pour éviter tout risque de déformation ou de défaillance.
- Utilise l'organisateur dans un environnement sec et propre pour prévenir la dégradation des matériaux.
- Garde l'organisateur hors de portée des enfants sans surveillance.

Précautions de Sécurité Spécifiques à l'Utilisation

- Ne place pas d'objets lourds ou pointus qui pourraient endommager l'organisateur ou causer des blessures.
- Évite d'exposer l'organisateur à des produits chimiques corrosifs qui pourraient l'endommager.
- Assuretoi que tous les blocs d'organisation sont correctement insérés et sécurisés avant de transporter le caisson.
- Lors de l'installation, fais attention à ne pas te coincer les doigts dans les panneaux ou les blocs.
- En cas de défaillance de l'organisateur, cesse immédiatement son utilisation et contacte le support.

Instructions pour l'Installation et l'Utilisation

1. Préparation du Caisson:

- Ouvre le caisson Pelican V730 et retire tout contenu.
- Assuretoi que l'intérieur est propre et sec.

2. Installation des Blocs d'Organisation:

- Positionne la base GRID à l'intérieur du caisson.
- Insère les blocs d'organisation dans la base GRID selon ta configuration préférée.
- Assuretoi que chaque bloc est bien enfoncé et stable.

3. Utilisation de l'Organisateur:

- Place ton équipement (fusils, chargeurs, optiques, etc.) dans les blocs d'organisation.
- Vérifie que tout l'équipement est bien sécurisé et qu'il ne risque pas de bouger pendant le transport.

4. Retrait et Réinstallation:

- Pour retirer un bloc, tirele doucement vers le haut.
- Réinstalle les blocs selon tes besoins en veillant à ce qu'ils soient bien fixés.

Instructions d'Élimination

- Lorsque l'organisateur DAKA GRID n'est plus utilisable, élimine-le conformément aux réglementations locales sur les déchets.
- Ne jette pas l'organisateur avec les ordures ménagères. Informe-toi sur les points de collecte spécifiques pour les matériaux en Polypropylène Expandé (EPP).
- Si l'organisateur est endommagé, considère le recyclage en tant que matériau plastique.

Informations de Contact pour un Support Supplémentaire

Pour toute question ou préoccupation concernant la sécurité de l'organisateur DAKA GRID, n'hésite pas à contacter le point de contact de sécurité de l'UE. Assure-toi d'avoir les informations nécessaires à portée de main pour faciliter la communication.

Conclusion

L'organisateur DAKA GRID de Magpul est conçu pour offrir une solution d'organisation efficace et sécurisée. En suivant ces directives de sécurité, tu peux maximiser la protection de ton équipement et profiter pleinement de ton produit. Reste toujours vigilant et utilise l'organisateur de manière responsable.

Guida alle Istruzioni di Sicurezza per l'Organizzatore DAKA GRID di Magpul

Introduzione

Grazie per aver scelto l'Organizzatore DAKA GRID di Magpul. Questo prodotto è progettato per garantire la massima protezione e organizzazione delle vostre attrezzature. Per garantire un uso sicuro e corretto, è importante seguire le linee guida di sicurezza e le istruzioni fornite in questo documento.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il prodotto solo per lo scopo previsto.
- Controlla regolarmente l'Organizzatore DAKA GRID per eventuali segni di usura o danni.
- Non sovraccaricare l'Organizzatore oltre la capacità raccomandata.
- Mantieni il prodotto lontano dalla portata dei bambini se non utilizzato sotto supervisione.
- Segnala immediatamente qualsiasi difetto o problema di sicurezza al rivenditore o al produttore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di utilizzare l'Organizzatore DAKA GRID, assicurati che sia completamente assemblato secondo le istruzioni.
- Utilizza solo i DAKA Blocks forniti o raccomandati per garantire una corretta compatibilità e sicurezza.
- Non utilizzare l'Organizzatore DAKA GRID in condizioni estreme (ad esempio, temperature molto elevate o basse) che potrebbero comprometterne l'integrità.
- Evita di esporre l'Organizzatore a sostanze chimiche aggressive che potrebbero danneggiare il materiale EPP.
- Non utilizzare l'Organizzatore DAKA GRID per trasportare oggetti che superano il peso massimo raccomandato.

Istruzioni per l'Installazione e l'Uso

Installazione

1. **Preparazione:** Assicurati di avere a disposizione il tuo Organizzatore DAKA GRID e i DAKA Blocks inclusi.
2. **Assemblaggio:**
 - Posiziona i pannelli terminali e centrali in EPP in modo che si incastrino saldamente.
 - Inserisci i DAKA Blocks nella base GRID secondo la tua configurazione preferita.
3. **Verifica:** Controlla che tutti i blocchi siano fissati correttamente e che non ci siano parti allentate.

Uso

- Posiziona l'Organizzatore DAKA GRID all'interno del tuo caso Pelican V730.
- Organizza i tuoi fucili, caricatori e accessori all'interno dei DAKA Blocks.
- Assicurati che tutti gli oggetti siano ben fissati e che non ci siano spazi vuoti che potrebbero causare movimenti durante il trasporto.

Istruzioni per lo Smaltimento

- L'Organizzatore DAKA GRID è realizzato in materiale EPP, che è riciclabile.
- Controlla le normative locali per lo smaltimento dei materiali in EPP.
- Non gettare il prodotto nell'ambiente. Segui sempre le pratiche di smaltimento responsabili.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante l'uso dell'Organizzatore DAKA GRID di Magpul, contatta il tuo rivenditore o visita il sito ufficiale di Magpul per ulteriori informazioni e supporto.

Seguendo queste linee guida di sicurezza, puoi garantire un'esperienza positiva e sicura con il tuo Organizzatore DAKA GRID. Grazie per aver scelto Magpul!
