

DAKA® GRID ORGANIZER FOR PELICAN™ V800 VAULT - DAKA GRID CASE ORGANIZER FOR PELICAN VAULT V800 BLACK

Magpul's DAKA GRID Organizer is a fully customizable drop-in organizational solution that secures and protects your important equipment when it's stored or transported in your existing hard case. Specifically designed to fit Pelican™ Vault V800 gun cases, the GRID Organizer is completely reconfigurable to meet your storage needs. Individual Expanded Polypropylene (EPP) Panels and Blocks nest together securely to maximize protection, versatility, and ease-of-use. They can be organized to brace and immobilize rifles, optics, ammunition, accessories, and other gear, and they can be quickly removed and reinstalled for your next loadout. The lightweight GRID system uses compression to immobilize and compartmentalize your gear, firmly holding it in place and providing advanced protection during transport. The result is less movement and better impact resistance for your gear than you'll get from current open cell foam options that can let your gear slide around inside your case during transport. Also, the GRID's EPP make up doesn't absorb contaminants like open cell foam does, providing resistance to liquid and chemical intrusion and mitigating contamination of your gear. Cleaning up dirt, chemicals, and liquids is easy with just a damp cloth. Offering numerous advantages over traditional foam and expensive laser-cut inserts, the GRID provides intuitive, modular organization at your fingertips. It's reconfigurable without tools, so it can be adapted to your loadout in seconds. If you're carrying wider or taller equipment, a center GRID Panel can also be removed to open up space for objects approximately 4.25" inches wide. If you end up needing to cut a Panel to create a unique cavity for wider gear, the EPP cuts smoothly and doesn't lose its strength or ability to protect your important equipment. For unique equipment loading techniques, see Magpul's Getting The Best Fit video and others in the Resources tab. Simple to configure, stronger than foam, and versatile enough to change with every loadout, the DAKA GRID Organizer lets you use every inch of your case to store and securely carry your gear the way you want. Includes GRID base Panels, 10 triple Blocks, 10 double Blocks, and replacement base foam. FEATURES EPP Panels and Blocks quickly replace current internal setup GRID system holds your gear securely and protects better than foam sheets Not just for firearms; can be used for all types of gear EPP construction is lighter and stronger than traditional foam Endlessly customizable and no tools required Unique gear loadouts set up in seconds GRID is stronger than open cell foam, holds your gear in place, and protects better from impacts Resists absorbing liquids and chemicals and easy to clean with a damp cloth Good temperature stability Weight: ~3 lbs COMPATIBILITY Pelican™ Vault V800 and Magpul DAKA Hard Case, LR53 PELICAN CASE SOLD SEPERATELY

Sicherheitshinweise für den DAKA® GRID ORGANIZER FÜR PELICAN™ V800 VAULT

Einführung

Herzlichen Glückwunsch zu deinem Kauf des DAKA GRID Organizers von Magpul! Dieser Organizer wurde entwickelt, um dein Equipment sicher zu lagern und zu transportieren. Bitte beachte die folgenden Sicherheitshinweise, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass der Organizer nur für die vorgesehenen Zwecke verwendet wird.
- Halte den Organizer von Kindern fern, um Verletzungen zu vermeiden.
- Überprüfe regelmäßig den Zustand des Organizers auf Risse oder Beschädigungen.
- Verwende den Organizer nicht, wenn er beschädigt ist.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Achte darauf, dass alle Paneele und Blöcke sicher miteinander verbunden sind, um ein Verrutschen zu verhindern.
- Vermeide es, schwere oder scharfe Gegenstände ohne angemessene Polsterung zu lagern.
- Stelle sicher, dass der Organizer auf einer stabilen und ebenen Fläche platziert ist.
- Halte den Organizer trocken und frei von Chemikalien, die das EPPMaterial beschädigen könnten.

Anweisungen für Installation und Nutzung

1. **Vorbereitung:** Überprüfe alle Teile auf Vollständigkeit und Beschädigungen.
2. **Konfiguration:**
 - Stelle die gewünschten EPPPaneele und Blöcke zusammen.
 - Stecke die Paneele und Blöcke sicher zusammen, um eine stabile Struktur zu bilden.
3. **Beladung:**
 - Platziere deine Ausrüstung gleichmäßig im Organizer.
 - Achte darauf, dass die Ausrüstung sicher sitzt und nicht herausrutschen kann.
4. **Transport:**
 - Stelle sicher, dass der Organizer sicher im Pelican Vault V800 verstaut ist.
 - Vermeide ruckartige Bewegungen, die den Organizer und die Ausrüstung beschädigen könnten.

Entsorgungsanweisungen

- Entsorge den DAKA GRID Organizer gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Überprüfe, ob Teile des Organizers recycelbar sind, insbesondere das EPPMaterial.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anmerkungen zu deinem Produkt wende dich bitte an den Hersteller oder den Einzelhändler, bei dem du das Produkt erworben hast. Achte darauf, dass alle Sicherheitsanfragen an einen EUbasierten Kontakt gerichtet werden.

Schlusswort

Der DAKA GRID Organizer bietet eine hervorragende Möglichkeit, dein Equipment sicher und effizient zu lagern. Indem du die oben genannten Sicherheitshinweise befolgst, kannst du sicherstellen, dass du das Beste aus deinem Produkt herausholst.

DAKA GRID Organizer Safety Instructions

Introduction

Thank you for choosing the DAKA GRID Organizer for your Pelican Vault V800 case. This product is designed to provide a customizable and secure storage solution for your equipment. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** The DAKA GRID Organizer is designed for safe use with nonfood items. Ensure that you follow all instructions to avoid hazards.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Always check for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to a contact point within the EU.
- **Rapid Alerts:** Stay informed about product safety and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Overloading:** Ensure that the total weight of the items stored does not exceed the weight limit of the Pelican Vault V800 case.
- **Check Compatibility:** Verify that the DAKA GRID Organizer is compatible with your Pelican Vault V800 case model.
- **Secure All Items:** Make sure all items are properly secured within the GRID Organizer to prevent movement during transport.
- **Inspect Regularly:** Regularly check the integrity of the EPP Panels and Blocks for wear or damage.
- **Avoid Sharp Objects:** Be cautious while loading or unloading sharp objects to prevent injury.
- **Cleaning:** Use a damp cloth for cleaning only. Avoid using harsh chemicals or solvents.

Instructions for Installation and Usage

1. **Unpack the Organizer:** Carefully remove the DAKA GRID Organizer from its packaging.
2. **Identify Components:** Familiarize yourself with the components, including GRID base Panels, triple Blocks, and double Blocks.
3. **Configuration:**
 - Arrange EPP Panels and Blocks according to your storage needs.
 - Use the compression system to secure your gear in place.
 - If necessary, remove a center GRID Panel to accommodate wider items.
4. **Loading Gear:**
 - Place your gear into the GRID Organizer, ensuring that it is securely braced and immobilized.
 - Adjust the configuration as needed for optimal fit and protection.
5. **Transport:** When transporting, ensure that the Pelican Vault V800 case is closed securely and that the DAKA GRID Organizer is properly positioned within the case.

Disposal Instructions

- **EPP Material:** Dispose of the DAKA GRID Organizer in accordance with local regulations for plastic waste.
- **Environmental Consideration:** Do not incinerate or dispose of in water bodies. Always follow local waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the DAKA GRID Organizer, please refer to the contact point provided by your retailer or manufacturer. Always ensure that you are in touch with authorized personnel for assistance.

By following these safety instructions, you can ensure the safe and effective use of your DAKA GRID Organizer. Thank you for your attention to safety and enjoy your product!

Guide de Sécurité pour l'Organisateur DAKA® GRID pour Valise Pelican™ V800

Introduction

Merci d'avoir choisi l'organisateur DAKA GRID de Magpul. Ce produit est conçu pour sécuriser et protéger votre équipement lors de son rangement ou de son transport. Il est important de suivre les instructions de sécurité et d'utilisation pour garantir une expérience optimale et sécurisée.

Directives de Sécurité Générales

- Assure-toi que l'organisateur DAKA GRID est utilisé uniquement comme prévu.
- Vérifie régulièrement l'état de l'organisateur et de ton équipement pour détecter tout signe d'usure ou de dommage.
- Ne surcharge pas l'organisateur. Respecte les limites de poids recommandées pour éviter tout risque de défaillance.
- Évite d'utiliser l'organisateur avec des équipements qui pourraient causer des blessures ou des dommages en cas de défaillance.
- Garde l'organisateur hors de portée des enfants, sauf si utilisé sous la supervision d'un adulte.

Précautions de Sécurité Spécifiques à l'Utilisation

- Ne pas exposer l'organisateur à des températures extrêmes, à l'humidité ou à des produits chimiques corrosifs.
- Assure-toi que les panneaux et blocs en EPP sont correctement installés avant de transporter ton équipement.
- Ne modifie pas l'organisateur de manière non recommandée, car cela pourrait compromettre sa sécurité et son efficacité.
- Lors de la coupe d'un panneau EPP pour un ajustement personnalisé, utilise des outils appropriés et prends soin de ne pas altérer la résistance du matériau.

Instructions pour l'Installation et l'Utilisation

1. Déballage:

- Retire soigneusement l'organisateur DAKA GRID de son emballage.
- Vérifie que tous les composants sont présents : panneaux de base GRID, blocs triples, blocs doubles et mousse de base de remplacement.

2. Installation:

- Place l'organisateur à l'intérieur de ta valise rigide Pelican™ Vault V800.
- Assemble les panneaux et blocs en EPP selon tes besoins de stockage. Ils s'emboîtent facilement pour une configuration personnalisée.
- Si nécessaire, retire un panneau GRID central pour faire de la place pour des objets plus larges.

3. Utilisation:

- Range ton équipement en veillant à le maintenir en sécurité et bien en place.
- Utilise le système de compression pour immobiliser ton équipement et éviter tout mouvement pendant le transport.
- Pour nettoyer l'organisateur, utilise simplement un chiffon humide pour enlever la saleté, les produits chimiques ou les liquides.

4. Reconfiguration:

- Si tu souhaites changer la configuration, retire les blocs et panneaux sans outils pour adapter rapidement l'organisateur à ton nouveau chargement.
- Assuretoi que tous les éléments sont correctement réinstallés avant de transporter à nouveau ton équipement.

Instructions de Mise au Rebut

- Lorsque l'organisateur DAKA GRID arrive en fin de vie, assuretoi de le jeter de manière responsable.
- Consulte les réglementations locales concernant le recyclage des matériaux en EPP.
- Ne jette pas l'organisateur avec des déchets ménagers ordinaires si cela peut être évité.

Informations de Contact pour un Support Supplémentaire

Pour toute question ou préoccupation concernant la sécurité ou l'utilisation de l'organisateur DAKA GRID, consulte le site web de Magpul ou les ressources fournies avec le produit pour obtenir des informations supplémentaires.

En suivant ces directives, tu peux maximiser la sécurité et l'efficacité de ton organisateur DAKA GRID. Profite de son utilisation pour garder ton équipement bien organisé et protégé !

Istruzioni di Sicurezza per l'Organizzatore DAKA GRID per Pelican Vault V800

Introduzione

Grazie per aver scelto l'Organizzatore DAKA GRID di Magpul. Questo prodotto è progettato per offrire un sistema di organizzazione personalizzabile per il tuo equipaggiamento, garantendo la massima protezione durante il trasporto. È importante leggere attentamente queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per gli scopi previsti.
- Non sovraccaricare il sistema GRID oltre il limite di peso raccomandato.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Non utilizzare il prodotto se danneggiato o se parti mancanti.
- Tenere il prodotto lontano da fonti di calore e umidità eccessiva.
- Assicurati che il prodotto sia utilizzato da adulti o sotto la supervisione di un adulto se usato da minori.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo i pannelli e i blocchi EPP forniti con l'organizzatore.
- Assicurati che i blocchi siano fissati correttamente prima di chiudere il case.
- Non utilizzare l'organizzatore per contenere materiali pericolosi o infiammabili.
- Evita di esporre il prodotto a sostanze chimiche aggressive o corrosive.
- Quando si rimuovono o si reinstallano i pannelli, fai attenzione a non danneggiare il prodotto o ferirti.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione del Case:** Assicurati che il tuo Pelican Vault V800 sia pulito e asciutto.
2. **Posizionamento dei Pannelli:**
 - Rimuovi i pannelli di schiuma esistenti, se presenti.
 - Posiziona i pannelli GRID all'interno del case secondo le tue esigenze.
3. **Fissaggio dei Blocchi:**
 - Inserisci i blocchi EPP nei pannelli GRID per creare le configurazioni desiderate.
 - Assicurati che ogni blocco sia incastrato saldamente.
4. **Organizzazione dell'Equipaggiamento:**
 - Posiziona il tuo equipaggiamento all'interno dell'organizzatore, assicurandoti che sia ben supportato e immobilizzato.
5. **Chiusura del Case:**
 - Dopo aver organizzato il tuo equipaggiamento, chiudi il case e verifica che sia sicuro.
6. **Rimozione dei Pannelli:**
 - Se necessario, rimuovi i pannelli per adattarli a carichi diversi. Gli EPP possono essere tagliati facilmente per creare cavità personalizzate.

Istruzioni per lo Smaltimento

- Quando il prodotto ha raggiunto la fine della sua vita utile, smaltiscilo in conformità con le normative locali sui rifiuti.
- Non gettare il prodotto nell'ambiente. Ricicla i materiali quando possibile.

Informazioni di Contatto per Ulteriori Supporto

Per domande o segnalazioni di prodotti non sicuri, contatta il tuo rivenditore o visita il sito web di Magpul per ulteriori informazioni.

Assicurati di seguire queste istruzioni di sicurezza per garantire un utilizzo sicuro e efficace dell'Organizzatore DAKA GRID. La tua sicurezza è la nostra priorità.
