Designed with the Shooting Community in mind, Brownells has released our very first Shooter's Cap! These hats are made without the usual top-button, allowing for a comfortable fit with over the head ear protection options. Featuring an Arid Multicam pattern, these hats also have a hook and loop front patch area featuring our very own Ram Logo, but will also allow for most other rectangle patches to be added if the wearer prefers. Show your Brownells Pride on and off the Range, all while staying comfortable!

Safety Instruction Guide for the Shooter Cap Multicam Arid with Brownells Logo

Introduction

Thank you for choosing the Shooter Cap Multicam Arid with Brownells Logo. This guide provides essential safety information to ensure the safe use and enjoyment of your cap. Please read this guide carefully before using the product.

General Safety Guidelines

- Always inspect the cap before use for any signs of damage or wear.
- Do not use the cap if it is damaged or if any part is missing.
- Keep the cap away from open flames or extreme heat sources to prevent damage.
- Store the cap in a cool, dry place when not in use.
- If you experience any discomfort while wearing the cap, remove it immediately.

Specific Safety Precautions for Use

- The cap is designed for adults. It is not intended for children under the age of 12.
- Ensure that the cap fits securely on your head to prevent it from falling off during use.
- Avoid wearing the cap in situations where it may obstruct your vision or hearing.
- If using ear protection, ensure that the cap's design allows for a comfortable fit without interference.

Instructions for Installation and Usage

1. Fitting the Cap:

- Place the cap on your head and adjust the strap at the back for a secure fit.
- Ensure the cap sits comfortably on your forehead without obstructing your vision.

2. Using the Hook and Loop Patch Area:

- If you wish to add a patch, ensure it is of a suitable size for the hook and loop area.
- Align the patch with the hook and loop surface and press firmly to secure it.

3. Cleaning Instructions:

- Hand wash the cap with mild soap and water.
- Do not machine wash or tumble dry, as this may damage the cap.
- Allow the cap to air dry completely before storing.

Disposal Instructions

- When the cap reaches the end of its life cycle, dispose of it responsibly.
- If possible, recycle the cap according to local recycling guidelines.
- Do not dispose of the cap in fire, as it may release harmful substances.
