

308 AR M5 UPPER RECEIVER - AERO PRECISION M5 (.308) ASSEMBLED UPPER RECEIVER THREADED OD GREEN

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Forged from 7075-T6 aluminum, the Aero Precision M5 308 Upper Receiver is a great platform for a big-bore AR build. Precision machined to Aero Precision's specifications, the upper features M4 feedramps and a matte black hard coat anodized Mil 8625 Type 3 Class 2 finish. DPMS pattern takedown holes (.2795") allows for compatibility with a wide range of lower receivers. Receiver is compatible with standard DPMS pattern 308 components, including lowers, bolt carriers, charging handles and barrels. Comes with forward assist and ejection port cover installed. Works with DPMS high profile handguards.

Safety Instruction Guide for Aero Precision M5 .308 Assembled Upper Receiver

Introduction

Thank you for choosing the Aero Precision M5 .308 Assembled Upper Receiver. This product is designed for use in bigbore AR builds and is crafted from highquality materials to ensure durability and reliability. To ensure your safety and the proper functioning of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing any components.
- Be aware of your surroundings and ensure that you are in a safe environment when using this product.
- Follow all local laws and regulations regarding firearms and firearm components.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your upper receiver and associated components for signs of wear or damage.
- If you experience any malfunctions, do not attempt to use the firearm until the issue has been resolved by a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that you are using compatible DPMS pattern .308 components with this upper receiver.
- Use only highquality ammunition that is appropriate for .308 caliber firearms.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the firearm in adverse weather conditions that may affect its performance.
- Do not modify the upper receiver or any components without proper knowledge and expertise.
- Be cautious when handling and transporting the firearm to avoid accidental discharge.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your workspace is clean and free of obstructions. Gather all necessary tools and components.
2. **Check Compatibility:** Verify that your lower receiver is compatible with the Aero Precision M5 .308 Upper Receiver. The takedown holes should align properly with the lower receiver.
3. **Attach the Upper Receiver:**
 - Align the upper receiver with the lower receiver.
 - Insert the takedown pins into the appropriate holes and secure them.
4. **Install Additional Components:** If necessary, install the bolt carrier group and charging handle according to the manufacturer's instructions.
5. **Final Check:** Ensure that everything is securely attached and functioning properly before use.

Usage

- When using the firearm, always maintain proper shooting stance and grip.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- After use, clean and maintain your upper receiver and other components to ensure longevity and reliability.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the upper receiver is damaged beyond repair, contact a qualified gunsmith for proper disposal methods.
- Do not dispose of any firearm components in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety and performance of the Aero Precision M5 .308 Upper Receiver, please contact your local distributor or visit the manufacturer's website for additional resources and support.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your Aero Precision M5 .308 Assembled Upper Receiver.
