

# 308 AR M5 UPPER RECEIVER - AERO PRECISION M5 (.308) ASSEMBLED UPPER RECEIVER THREADED KODIAK BROWN

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Forged from 7075-T6 aluminum, the Aero Precision M5 308 Upper Receiver is a great platform for a big-bore AR build. Precision machined to Aero Precision's specifications, the upper features M4 feedramps and a matte black hard coat anodized Mil 8625 Type 3 Class 2 finish. DPMS pattern takedown holes (.2795") allows for compatibility with a wide range of lower receivers. Receiver is compatible with standard DPMS pattern 308 components, including lowers, bolt carriers, charging handles and barrels. Comes with forward assist and ejection port cover installed. Works with DPMS high profile handguards.

# Safety Instruction Guide for Aero Precision M5 .308 Assembled Upper Receiver

## Introduction

Thank you for choosing the Aero Precision M5 .308 Assembled Upper Receiver. This product is designed for use in bigbore AR builds and is manufactured with highquality materials to ensure safety and performance. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Always treat the upper receiver as if it is loaded, even when it is not.
- Store the upper receiver in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the upper receiver for any signs of damage or wear.
- Use only compatible parts and accessories as specified in the product specifications.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm components.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the firearm before using the upper receiver.
- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the upper receiver or any components without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Align the upper receiver with the lower receiver, ensuring that the takedown holes are properly aligned.
- Secure the upper receiver to the lower receiver using the appropriate pins.
- Confirm that the forward assist and ejection port cover are functioning correctly.

### 2. Usage:

- Load the firearm only when you are ready to shoot and in a safe environment.
- Always point the firearm in a safe direction when loading or unloading.
- Follow all manufacturer instructions for the ammunition you are using, specifically 308 Winchester.
- After use, clean and maintain the upper receiver according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the upper receiver in accordance with local laws and regulations.
- Do not dispose of the upper receiver in regular household waste.
- If the upper receiver is damaged beyond repair, consult with a qualified professional for safe disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please consult the manufacturer's website or contact their customer service team directly.

Thank you for prioritizing safety and compliance while using the Aero Precision M5 .308 Assembled Upper Receiver. Your safety is our top priority.
