# Safety Instruction Guide for AERO PRECISION M5E1 308 WINCHESTER ASSEMBLED UPPER RECEIVER

## Introduction

Thank you for choosing the AERO PRECISION M5E1 308 WINCHESTER ASSEMBLED UPPER RECEIVER. This product is designed for safe and effective use in firearms applications. This guide provides essential safety instructions, usage precautions, and installation guidelines to ensure safe handling and operation of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the assembled upper receiver by following all provided instructions and warnings.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping Protections:** If purchased online, ensure that the seller adheres to safety requirements.
- **Vulnerable Groups:** Keep this product out of reach of children and other vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- Always treat the assembled upper receiver as if it is loaded.
- Keep your finger off the trigger until ready to shoot.
- Make sure the firearm is pointed in a safe direction at all times.
- Use only compatible components as specified in this guide.
- Ensure that the firearm is unloaded when installing or removing the upper receiver.
- Wear appropriate eye and ear protection when using the firearm.
- Do not modify the assembled upper receiver or any of its components.
- Regularly inspect the upper receiver for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools such as a torque wrench and appropriate screwdrivers.

### 2. Installation:

- Align the M5E1 Enhanced Assembled Upper Receiver with the lower receiver.
- Secure the upper receiver to the lower receiver using the takedown pins.
- Confirm that the pins are fully engaged and the upper is securely attached.

### 3. Check Compatibility:

- Ensure that the BCG (Bolt Carrier Group) and charging handle are compatible and properly installed.

- Verify that the gas block and gas tube are correctly positioned.

#### **4. Usage:**

- Load the firearm with the appropriate ammunition.
- Follow standard operating procedures for firing and handling the firearm.
- After use, clean and maintain the upper receiver according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AERO PRECISION M5E1 308 WINCHESTER ASSEMBLED UPPER RECEIVER, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AERO PRECISION product. Always prioritize safety and compliance with regulations when handling firearms.
