Safety Instruction Guide for SOLUS Competition Chassis for Remington 700 Short Action

Introduction

Thank you for choosing the SOLUS Competition Chassis for Remington 700 Short Action. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always handle firearms and firearm components with care and follow all applicable safety regulations.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe conditions or productrelated accidents to the appropriate authorities immediately.
- Check the EU Safety Gate platform for any recall updates regarding this product.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the chassis.
- Use appropriate protective gear, such as safety glasses and gloves, during installation and handling.
- Be aware of your surroundings and ensure a safe environment when using the firearm equipped with this chassis.
- Avoid using the chassis with incompatible components that may compromise safety or performance.
- Ensure that all adjustments, such as the length of pull and cheek comb, are securely locked before use.
- If you experience any malfunctions or unusual behavior, stop using the chassis immediately and consult a qualified professional.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as an Allen wrench.

2. Attaching the Chassis:

- Align the Remington 700 short action with the chassis' VBlock bedding surfaces.
- Securely fasten the action screws to lock the action into place.

3. Adjusting Features:

- Adjust the length of pull by utilizing the 7position adjustable feature.
- Set the cheek comb to a comfortable position to ensure proper eye alignment with the sights.
- Adjust the thumb rest and cant recoil pad for optimal comfort.

4. Forend and Sling Attachment:

- Attach any accessories to the forend using the MLOK slots or Arca Swiss rail.
- Ensure that QD sling sockets are securely fastened before use.

Usage

- Always follow safe firearm handling practices.
- When using the chassis, maintain a firm grip and proper stance.
- Regularly check the tightness of all screws and adjustments during use.

Disposal Instructions

- When the chassis reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Recycle aluminum components where facilities are available.
- Ensure that all components are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the SOLUS Competition Chassis, please refer to the manufacturer's website or contact the retailer where the product was purchased for further assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SOLUS Competition Chassis for Remington 700 Short Action. Thank you for your attention to safety.
