

ZERMATT ARMS PRE-FIT STAINLESS 6 GT RIFLE BARREL - PROOF RESEARCH ZERMATT ORIGIN PRE-FIT STAINLESS STEEL 6GT 26" 1-7.5

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Proof makes their steel barrels in-house with the exact same commitment to quality and repeatability as employ on their carbon fiber barrels. The drilling, rifling, and lapping process is identical to our composite barrels. They start with the same steel as they use in the carbon fiber barrels. It is a double stress-relieved 416R stainless steel, a pre-hardened chromium stainless steel that was specifically designed by engineers in collaboration with rifle barrel makers to provide the consistent, high quality and durability the firearms industry demands.

Attributes

- Name: [PROOF RESEARCH ZERMATT ORIGIN PRE-FIT STAINLESS STEEL 6GT 26" 1-7.5](#)

ZERMATT ARMS PREFIT STAINLESS 6 GT RIFLE BARREL SAFETY INSTRUCTIONS

Introduction

Congratulations on your purchase of the ZERMATT ARMS PREFIT STAINLESS 6 GT RIFLE BARREL by PROOF RESEARCH. This guide provides essential safety instructions to ensure the safe and effective use of your rifle barrel. Please read and follow these instructions carefully to avoid potential hazards.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a rifle barrel.
- Always handle firearms and their components with care and respect.
- Store the barrel in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use protective gear, such as safety glasses and hearing protection, when handling firearms.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installing or handling the barrel.
- Check that the barrel is compatible with your specific rifle model.
- Use only ammunition that is suitable for the 6 GT cartridge.
- Be aware of the barrel's twist rate (17.5) and how it may affect bullet stability.
- Do not modify the barrel in any way without consulting a qualified gunsmith.
- If you experience any malfunctions or unusual behavior while using the barrel, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is pointed in a safe direction and is unloaded.
- Remove the existing barrel from the rifle according to the manufacturer's instructions.
- Align the new ZERMATT ARMS barrel with the receiver and ensure it fits securely.
- Tighten the barrel to the manufacturer's specifications using the appropriate tools.
- Confirm that the muzzle threads (5/824) are properly aligned.

2. Usage

- Before firing, doublecheck that the rifle is unloaded and the barrel is properly installed.
- Load the rifle with the appropriate 6 GT cartridges.
- Always aim at a safe target and be aware of your surroundings.
- Follow standard shooting practices and safety protocols while using the rifle.
- After use, clean and maintain the barrel according to the manufacturer's recommendations.

Disposal Instructions

- When disposing of the barrel, adhere to all local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consider recycling it through a local metal recycling program.
- Do not discard the barrel in regular trash.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ZERMATT ARMS PREFIT STAINLESS 6 GT RIFLE BARREL, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your ZERMATT ARMS PREFIT STAINLESS 6 GT RIFLE BARREL. Always prioritize safety and compliance with local laws when handling firearms. Thank you for choosing our product, and enjoy your shooting experience responsibly.
