

ZERMATT ARMS PRE-FIT STAINLESS 6 DASHER RIFLE BARREL - PROOF RESEARCH ZERMATT ORIGIN/SOLUS PRE-FIT STAINLESS 6 DASHER 26" 1-7.5

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Proof makes their steel barrels in-house with the exact same commitment to quality and repeatability as employ on their carbon fiber barrels. The drilling, rifling, and lapping process is identical to our composite barrels. They start with the same steel as they use in the carbon fiber barrels. It is a double stress-relieved 416R stainless steel, a pre-hardened chromium stainless steel that was specifically designed by engineers in collaboration with rifle barrel makers to provide the consistent, high quality and durability the firearms industry demands.

Attributes

- Name: [PROOF RESEARCH ZERMATT ORIGIN/SOLUS PRE-FIT STAINLESS 6 DASHER 26" 1-7.5](#)

Safety Instruction Guide for ZERMATT ARMS PREFIT STAINLESS 6 DASHER RIFLE BARREL

Introduction

Thank you for choosing the ZERMATT ARMS PREFIT STAINLESS 6 DASHER RIFLE BARREL. This guide provides important safety information and instructions to ensure safe handling, installation, and use of your rifle barrel. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat your rifle barrel as if it is loaded, even when you believe it is not.
- Ensure that you are in a safe environment when handling your rifle barrel.
- Store your rifle barrel in a secure location, away from children and unauthorized users.
- Regularly inspect your rifle barrel for signs of damage or wear.
- Follow all local laws and regulations regarding the use and ownership of firearms and accessories.

Specific Safety Precautions for Use

- Use only approved ammunition compatible with the 6 mm Dasher cartridge.
- Ensure that the barrel is properly installed and secured before use.
- Avoid using the rifle barrel if you notice any irregularities, such as excessive wear or deformation.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Do not modify the barrel or any of its components without consulting a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the old barrel, if applicable, following the manufacturer's instructions.
- Align the ZERMATT ARMS PREFIT STAINLESS 6 DASHER RIFLE BARREL with the receiver.
- Secure the barrel using the appropriate tools and torque specifications as provided by the manufacturer.
- Doublecheck that the barrel is properly tightened and aligned.

2. Usage:

- Load the rifle with approved 6 mm Dasher ammunition.
- Confirm that the safety mechanism is engaged before loading.
- When ready to shoot, disengage the safety and aim at a safe target.
- After shooting, ensure the rifle is unloaded before cleaning or storing.

Disposal Instructions

- Dispose of any damaged or wornout rifle barrels in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or a licensed firearms dealer for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or performance of your ZERMATT ARMS PREFIT STAINLESS 6

DASHER RIFLE BARREL, please reach out to the manufacturer or a qualified firearms professional.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your ZERMATT ARMS PREFIT STAINLESS 6 DASHER RIFLE BARREL. Always stay informed about best practices and legal requirements related to firearms in your area. Thank you for your attention to safety.
