

ZERMATT ARMS PRE-FIT CARBON FIBER 6MM CREEDMOOR RIFLE BARREL - PROOF RESEARCH ZERMATT ORIGIN/SOLUS PRE-FIT CARB-FIBR 6 CREEDMOOR 22" 1-7.5

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. Proof's patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by our advanced composites division, PROOF Research ACD. The carbon fibers they use have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: [PROOF RESEARCH ZERMATT ORIGIN/SOLUS PRE-FIT CARB-FIBR 6 CREEDMOOR 22" 1-7.5](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 430104157
- Mfr. No.: 114285
- Barrel Weight: 2.75 lbs
- Cartridge: 6mm Creedmoor
- Contour: Sendero
- Finish: Carbon Fiber
- Length: 22"
- Model: Origin
- Muzzle Threads: 5/8-24
- Twist: 1-7.5
- Weapon type: Bighorn
- Delivery weight: 1.247kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068114285

Item details

Made in USA

US export classification: 0A501.c

ZERMATT ARMS PREFIT CARBON FIBER 6MM CREEDMOOR RIFLE BARREL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ZERMATT ARMS PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. It is important to read and understand these instructions thoroughly before use.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that the rifle barrel is compatible with your firearm model before installation.
- Inspect the barrel for any damage or defects prior to use.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearms and their components.
- Use only recommended ammunition for the specific barrel and firearm combination.

Specific Safety Precautions for Use

- When firing, always wear appropriate eye and ear protection.
- Ensure the rifle is pointed in a safe direction at all times.
- Do not attempt to modify the barrel or any firearm components.
- Avoid using the barrel in extreme temperatures or conditions that may affect performance.
- If you notice any unusual sounds, vibrations, or performance issues while firing, stop using the firearm immediately and have it inspected by a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the chamber is clear.
- Remove the existing barrel according to the manufacturer's instructions.
- Align the ZERMATT ARMS PreFit Carbon Fiber Rifle Barrel with the receiver.
- Securely fasten the barrel using the appropriate tools, ensuring it is properly torqued to manufacturer specifications.
- Check for proper alignment and fit before proceeding to use.

2. Usage:

- Load the firearm with compatible 6mm Creedmoor ammunition.
- Ensure the safety is engaged until you are ready to fire.
- Fire the rifle in a safe and controlled environment, following all standard firearm safety practices.
- After use, clean the barrel following the manufacturer's recommendations to maintain performance and longevity.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged beyond repair, contact a qualified disposal service for safe handling.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ZERMATT ARMS PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your ZERMATT ARMS PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel. Always prioritize safety and responsibility when handling firearms and their components. Thank you for your attention to these important guidelines.
