

ZERMATT ARMS PRE-FIT CARBON FIBER 6MM CREEDMOOR RIFLE BARREL - ZERMATT ORIGIN/SOLUS PRE-FIT CARB-FIBR 6 CREEDMOOR 24" 1-7.5

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. Proof's patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by our advanced composites division, PROOF Research ACD. The carbon fibers they use have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: ZERMATT ORIGIN/SOLUS PRE-FIT CARB-FIBR 6 CREEDMOOR 24" 1-7.5
- Manufacturer: PROOF RESEARCH
- Product no.: 430104158
- Mfr. No.: 114292
- Barrel Weight: 2.9 lbs
- Cartridge: 6mm Creedmoor
- Contour: Sendero
- Finish: Carbon Fiber
- Length: 24"
- Make: Bighorn
- Model: Origin
- Muzzle Threads: 5/8-24
- Twist: 1-7.5
- Delivery weight: 1.315kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068114292

ZERMATT ARMS PREFIT CARBON FIBER 6MM CREEDMOOR RIFLE BARREL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ZERMATT ARMS PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel. This product is designed to enhance your shooting experience through advanced materials and manufacturing techniques. However, to ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the use of firearms and that you comply with all local laws and regulations.
- Always treat firearms as if they are loaded, even when they are not.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel and firearm for any signs of wear, damage, or malfunction before use.
- Store the barrel in a safe and secure location when not in use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the firearm equipped with this barrel.
- Ensure that the barrel is properly installed according to the manufacturer's instructions before use.
- Avoid using ammunition that exceeds the specifications for the barrel.
- Do not attempt to modify the barrel or firearm in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- If you experience any malfunctions or issues while using the firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Carefully install the ZERMATT ARMS barrel by following these steps:
 - Align the barrel with the receiver.
 - Secure the barrel using the appropriate tools and torque specifications provided by the manufacturer.
 - Ensure that the muzzle threads are properly aligned and tightened.
- Perform a visual inspection to confirm that the installation is secure and correct.

2. Usage:

- Before firing, check that the barrel is clean and free of obstructions.
- Load the firearm with the appropriate ammunition for the 6mm Creedmoor caliber.
- Follow standard firearm safety practices during shooting.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

Disposal Instructions

- Dispose of the barrel and any associated materials in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ZERMATT ARMS PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel, please refer to the manufacturer's official website or contact their customer service. Ensure that you have the product details ready for reference.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your ZERMATT ARMS rifle barrel. Thank you for prioritizing safety and responsible firearm use.

ZERMATT ARMS PREFIT CARBON FIBER 6MM CREEDMOOR RIFLE BARREL SAFETY INSTRUCTIONS

Introduksjon

Gratulerer med kjøpet av Zermatt Arms PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel. Dette produktet er designet for å gi høy ytelse og presisjon. For å sikre trygg bruk og optimal ytelse, vennligst les og følg disse sikkerhetsinstruksjonene nøye.

Generelle sikkerhetsretningslinjer

- Produktet er laget for å være trygt ved korrekt bruk.
- Les alltid bruksanvisningen før bruk.
- Oppbevar produktet utilgjengelig for barn og sårbare grupper.
- Rapportér eventuelle farer eller ulykker til relevante myndigheter.
- Sjekk regelmessig for tilbakekallinger via EU Safety Gateplattformen.

Spesifikke sikkerhetstiltak ved bruk

- Bruk alltid passende beskyttelsesutstyr, inkludert øyevern og hørselvern, når du håndterer rifleløpet.
- Vær oppmerksom på at rifleløpet kan bli varmt under bruk. Unngå direkte kontakt med løpet etter skyting.
- Sørg for at rifleløpet er installert korrekt for å unngå potensielle farer som kan oppstå ved feil montering.
- Unngå å bruke rifleløpet med ammunisjon som ikke er spesifisert av produsenten.

Instruksjoner for installasjon og bruk

1. Installasjon:

- Sørg for at våpenet er i en sikker tilstand før du begynner installasjonen.
- Bruk riktig verktøy for å montere rifleløpet. Følg produsentens spesifikasjoner for montering.
- Kontroller at løpet sitter tett og sikkert før bruk.

2. Bruk:

- Følg alltid produsentens anbefalinger for ammunisjonstype og ladning.
- Hold alltid våpenet rettet mot et sikkert mål.
- Vær oppmerksom på omgivelsene dine, og sørg for at ingen er i nærheten av skyteområdet.

Avfallsinstruksjoner

- Avfall fra produktet skal håndteres i samsvar med lokale forskrifter for avfallshåndtering.
- Karbonfiberkomponenter skal resirkuleres der det er mulig. Kontakt lokale resirkuleringsanlegg for mer informasjon.

Kontaktinformasjon for videre støtte

For spørsmål angående sikkerhet eller produktinformasjon, vennligst kontakt produsentens kundeservice. Sørg for å ha produktets modellnummer og kjøpsdetaljer tilgjengelig for raskere assistanse.

Takk for at du valgte Zermatt Arms PreFit Carbon Fiber 6mm Creedmoor Rifle Barrel. Følg disse instruksjonene

nøye for å sikre en trygg og effektiv opplevelse.
